Three Conjugations. As you know from studying the basics of Italian verbs, they divide in three families based on their endings as grouped in conjugations: verbs in - are (first conjugation), - ere (second conjugation), and - ire (third conjugation). The verbs mangiare (to eat), credere (to believe), and partire (to leave) are good examples of regular verbs in each of them.

Tables of Regular Italian Verb Endings - ThoughtCo
Italian verbs have a high degree of inflection, the majority of which follows one of three common patterns of conjugation. Italian conjugation is affected by mood, person, tense, number, aspect and occasionally gender. The three classes of verbs (patterns of conjugation) are distinguished by the endings of the infinitive form of the verb: 1st conjugation: -are (amare "to love", parlare "to talk, to speak"); 2nd conjugation: -ere (credere "to believe", ricevere "to receive");

kiss), bere (to drink), vedere (to see), scrivere (to write), fare (to do), amare (to love). (Remember that transitive and intransitive verbs do not match exactly in English and Italian.)

How to Conjugate the Verb "Avere" in Italian

When it's used as such, volere takes the auxiliary required by the verb it is serving. For example, if you couple volere with andare, which is an intransitive verb that takes essere, in the compound tenses volere takes essere: Sono voluta andare a casa (I wanted to go home). If what we are wanting to do is mangiare, which is transitive and takes avere, volere, in that case, takes avere: Ho ...
