This book on general bank management provides a systematic and comprehensive overview of modern management practices in banks with emphasis on international banking, human resources management, technology management and marketing management. It is an encyclopaedia of management practices from the point of view of practitioners of banking. The book is based on the rich experience of authors, who are well known in both the academic world and banking. Though the book is mainly oriented towards banking sector, it would also prove useful to students of management.

Money-laundering has acquired a global character that not only threatens security, but also compromises the stability, transparency and efficiency of financial
