More than one thousand black-and-white photographs, line drawings, and data tables accompany an authoritative survey of World War II aircraft that reviews the airpower of sixty-eight nations and provides detailed descriptions of each aircraft.

A reproduction of Jane's All the World Aircraft, wartime editions.

Reproduced from the wartime editions of Jane's All the World's Ships.

Presents more than one thousand entries drawn from the highly-respected Jane's annuals, covering major planes of each manufacturer, including the latest models

Provides a history of fighting ships and major players in world naval operations, from the navies of Great Britain in the late 1800s to the post Cold War vessels used in the Gulf War

This is the land equivalent of Jane's Battleships, a comprehensive encyclopaedia of all the combat vehicles of World War II from Somaliland to Japan. A nation-by-nation overview of each country's development of tanks and their involvement in World War II is before providing an A-Z of each army's tanks and fighting vehicles including armoured cars, personnel carriers, amphibious craft and mortar carriers. Quirkiest profiles of vehicles such as the German TKS tankette are given.

Covers battleships from the turn of the century to the Persian Gulf War, with over one hundred ship profiles and complete technical specifications
