A guide to Japanese ink painting provides information on techniques and materials needed, along with step-by-step exercises.

In this Japanese ink painting book renowned Japanese master Shozo Sato offers his own personal teaching on the beautiful art of sumi-e painting. Sumi-e: The Art of Japanese Ink Painting provides step-by-step, photo-by-photo instructions to guide learners in the correct form, motions and techniques of Japanese sumi-e painting. Featuring gorgeous images and practical advice, it includes guided instructions for 35 different paintings. From waterfalls to bamboo, learners paint their way to understanding sumi-e's style of painting that is characteristically Asian and has been practiced for well over 1,000 years. Although it's sometimes confused with calligraphy, as the tools used are the same, sumi-e instead tries to capture the essence of an object or scene in the fewest possible strokes. This all-in-one resource also provides a timeline of brush painting history, a glossary of terms, a guide to sources and an index/making it a tool to use and treasure, for amateurs and professionals alike. This sumi-e introduction is ideal for anyone with a love of Japanese art or the desire to learn to paint in a classic Asian style.

Explore the ancient technique of Japanese ink painting. The art of sumi-e, which means "ink picture," combines calligraphy and ink-painting to produce brush painting compositions of rare beauty. This beauty is paradoxical/ancient but modern, simple but sophisticated, bold but subdued/no doubt reflecting the art's spiritual basis in Zen Buddhism. At the same time, sumi-e painting is firmly rooted in the natural world, its various techniques serving as the painter's language for describing the wonders of nature. Buddhist priests brought the ink stick and the bamboo-handled brush to Japan from China in the sixth century, and over the past fourteen centuries, Japan has developed a rich heritage of ink-painting. Today the artistry of sumi-e can be admired in books, reproductions, and museums, but the techniques of the art have been much less accessible. As a result, little information has been available to the inquisitive Western artist attracted to Japanese sumi-e. This book, designed to help remedy that deficiency, is the product of the author's study with her teacher, Ukai Uchiyama, master calligraphist and artist. It contains extensive explanations of technique as well as detailed painting instructions and diagrams.

Mindful Artist: Sumi-e Painting teaches you to create your own beautiful, Japanese-inspired ink wash paintings while cultivating a mindful approach to making art. Centuries ago, Buddhist monks used black ink and brushes to practice mindfulness and create gorgeously harmonious works of art called "sumi-e paintings." The popularity of sumi-e, or ink wash painting, continues to this day. Mindfulness remains an essential element of sumi-e painting, allowing artists to focus on their surroundings, live in the moment, and feel present/thereby reducing their stress. Walter Foster's new Mindful Artist series encourages you to enjoy working in your favorite media to create art from a reflective point of view/an inspiring, relaxing experience that emphasizes the creative process, rather than the end result. These books are designed to help you move past creative obstacles, like a perfectionist attitude toward making art or self-defeating concerns about your personal talent and abilities. These guides will not only help you stay mindful throughout the process, but also to find personal meaning in the artwork you create. Mindful Artist: Sumi-e Painting opens with an introduction explaining the links between mindfulness and sumi-e and how they enhance one another. Sections on: (The Four Treasures,) as the tools needed for sumi-e painting are called; brushstrokes and painting techniques; and (The Four Gentlemen,) or the most common subjects in sumi-e painting, ensure that you have a solid background before getting started on the simple, approachable step-by-step painting projects. Throughout the book you can find stunning full-page artwork, tips for remaining mindful while you work, creative prompts and exercises, inspirational ideas, and suggestions on how to add color to black ink pieces. Learn to practice mindfulness while you master the popular art of ink wash painting with this inspiring and supportive guide.

Japanese Ink Painting: Lessons in Suiboku Technique teaches beginners the fundamental techniques of suiboku, a form of Japanese ink painting. Considered a type of Japanese painting known as sumi-e, suiboku adds water to emphasize the shading of black into gray in one brush-stroke. With origins in China and a spiritual basis in Zen Buddhism, this form of brush painting/expressing nature's colors through shades of black ink monochrome/has been enjoyed throughout the centuries in Japan as a hobby for the amateur. This Japanese painting book offers step-by-step lessons with easy-to-understand explanations through nearly 60 illustrations. The numerous photographs at the end of the book, in addition to the works of great masters in the art of suiboku, include several paintings by the author's pupils to prove what the amateur can achieve through careful observance of instructions and patient practice. As the author points out, this book is designed for the beginner, and "even the amateur can learn by himself and enjoy suiboku as a hobby."

In this Japanese ink painting book renowned Japanese master Shozo Sato offers his own personal teaching on the beautiful art of sumi-e painting. Sumi-e: The Art of Japanese Ink Painting provides step-by-step, photo-by-photo instructions to guide learners in the correct form, motions and techniques of Japanese sumi-e painting. Sumi-e is the classic painting style of Japan, and its graceful simplicity is admired around the world. A natural follow-up to the best-sellingThe Sumi-e Book.The Sumi-e Dream Bookdemonstrates how to take the classic brushstrokes of sumi-e to a new level of painting, where creativity is inspired by deeply felt memories and spiritual expression. First, sumi-e artist Yolanda Mayhall provides a brief history and explains the philosophy behind this classic Japanese painting style. She highlights its many masters, one of them her ancient mentor the master brush painter, woodblock, and dream journey artist Hokosai. Next, she reviews the classic materials and the basic brushstrokes of sumi-e known as the Four Gentlemen: Bamboo, Wild Orchid, Chrysanthemum, and Plum Branch, along with their variations. Finally, Mayhall puts it all together to demonstrate the sumi-e art of dream journey painting. Readers will learn a variety of creative and exciting techniques for using color to add a delightful dimension to the sumi-e image as well as discover exciting techniques for visually capturing important life memories and spiritual reflections in a painting. Written by the author of the best-sellingThe Sumi-e Book Tap into the growing number of artists interested in Eastern art forms and spiritual awareness

Sumi-e is the timeless art of Japanese brush painting. Sumi-e works are typically made up of just a few brushstrokes, but the graceful birds, fish, and plant life they depict seem to move on the page. This portable kit contains all the materials you'll need to get started, plus an instructional booklet covering the history of sumi-e and step-by-step techniques to master the four basic strokes necessary to complete any painting.
