America The Unusual by John W  
Kingdon The government of the United  
States of America is very unique. While  
many Americans complain about high  
taxes and Big Brother keeping too close an  
eye, the truth is that American  
government, compared to most foreign  
democracies, is very limited in power and

Kingdon's first and primary point that seems to continue throughout his writings is the relatively low amount of interference the government exercises in the affairs of its citizens. Americans desire limited public policy, a result of several components of American ideology - the most important being our desire for individuality and
