Reinforce understanding throughout the course with clear topic summaries and sample questions and answers to help students target higher grades. Written by experienced teacher and subject expert Christine Brain, our Student Guides are divided into two key sections - content guidance, and sample questions and answers. Content guidance will: - - Develop understanding of key concepts and terminology; this guide covers applications of psychology: clinical, criminological, child and health psychology. - - Consolidate knowledge with 'knowledge check questions' at the end of each topic and answers in the back of the book. Sample
