The official book on the Rust programming language, written by the Rust development team at the Mozilla Foundation, fully updated for Rust 2018. The Rust Programming Language is the official book on Rust: an open source systems programming language that helps you write faster, more reliable software. Rust offers control over low-level details (such as memory usage) in combination with high-level ergonomics, eliminating the hassle traditionally associated with low-level languages. The authors of The Rust Programming Language, members of the Rust Core Team, share their knowledge and experience to show you how to take full advantage of Rust's features--from installation to creating robust and scalable programs. You'll begin with

NEW AND UPDATED EDITION OF THE MURDER THAT SHOOK SOUTH AFRICA! In September 2007, Ellen Pakkies, a working mother from Lavender Hill on the Cape Flats, strangled her son to death. The judge in the subsequent trial sentenced her to community service for her crime. What drove Ellen to commit this horrific deed, and why the ostensibly light sentence for such a heinous crime? The story of what happened over ten years ago has continued to grip public interest, putting a spotlight

On the dire and desperate situation faced by many parents of addicted children. A highly successful play was produced in theatres around South Africa in 2011/12, and a feature-length film has been made of this story and released in 2018. When *Dealing in Death* was first published in 2009, the scourge of drug addiction was sweeping across South Africa, affecting every level of society. Little, if anything, has changed since then, as this new edition reveals. It was Abie Pakkies' s addiction to tik, and the horrendous impact it had on his and his family' s lives, that drove Ellen to murder. Her trial exposed the dark underbelly of a community crippled by drug and alcohol abuse, and focused attention on the plight of those who live in poverty and do not have recourse to drug-rehabilitation
