Whether you 're searching for drugs or a missing person, K9 Scent Training will improve your K9 team 's capabilities in the field. Use proven techniques to train your dog for: Scent identification line-ups to indicate a scent connection between crime-scene evidence and a suspect. Tracking along a wide variety of track types, including the cold track, the broken-off track and tracks that run over or under cross-tracks. Detection work for searches in buildings, vehicles, open terrain and more. In this must-have guide for SAR teams and police K9 trainers and handlers, Dr. Resi Gerritsen and Ruud Haak present everything you need to know to build or improve a scent training program. Scent training involves high-stakes work, and in the case of a search for a missing person, the right training for your K9 can mean the difference between life and death. Beginning with the science behind odors and how dogs perceive them, Resi and Ruud show you how to harness that knowledge to eliminate training problems and maximize your dog 's potential. You 'll learn how to start scent training for young dogs using simple exercises before building up to more complex training. Finally, using techniques they 've perfected over decades, Resi and Ruud share their specialized, step-by-step programs for advanced scent identification training and tracking. Get a free ebook through the Shelfie app with the purchase of a print copy.

First published: Calgary: Detselig Enterprises, c2000.

A hands-on, practical approach to training your K9 for IGP levels 1, 2 and 3 Learn how to: - Implement a successful training program for the three phases of Schutzhund: tracking, obedience and protection. - Use expert tips and advice for passing the IGP trials. - Become a better trainer by understanding the theory behind the most effective K9 training techniques. K9 Schutzhund Training provides beginners with an excellent introduction to the field and helps expert trainers stay on top of their game with the latest techniques. Using proven methods rooted in classical and operant conditioning, Dr. Resi Gerritsen and Ruud Haak, world-renowned specialists in training working dogs, have developed this practical and positive Schutzhund training program. The excellent results trainers achieve through positive reinforcement prove the effectiveness of Resi and Ruud 's methods, which are based on more than 30 years of research and experience. In Resi and Ruud 's definitive guide for modern Schutzhund training, you 'll find the advice and encouragement you need to help you succeed in the IGP trials.

Training that works by harnessing your dog 's instincts. Learn how to: Stimulate your dog 's natural hunting drive for effective SAR training. Start your dog 's training program with an easy, three-step process. Develop skills in a variety of search operations, including wilderness, avalanche and disaster scenarios. Dr. Resi Gerritsen and Ruud Haak have trained search and rescue dogs for more than 30 years and have taken part in rescue operations around the world. They serve as training directors and international judges for the International Red Cross Federation, the United Nations, the International Rescue Dog Organization and the Fédération Cynologique Internationale (FCI). Based on their decades of study and experience, their innovative SAR training method is rooted in a firm, scientific understanding of K9 instincts. Step-by-step instructions, dozens of illustrations and photographs from the field establish a professional K9 SAR program to benefit both beginners and experts. Get a free ebook through the Shelfie app with the purchase of a print copy.

Learn how to: Master the basic skills and common procedures every decoy needs. Read dogs accurately through seven key factors. Stimulate and reward useful forms of K9 aggression. A good decoy is a K9 trainer 's most valuable tool. A good decoy can make a poor dog better, a mediocre dog good, and a good dog excellent. A poor decoy, on the other hand, can have devastating effects, ruining even a good dog. Stephen Mackenzie, professor of animal science and deputy sheriff with more than 30 years ' experience training and handling police dogs, shows you how to master the art of being a decoy in this revised and updated new edition. You 'll learn how to communicate effectively with your canine partner and how to stimulate specific types of aggression in the dog in a safe, positive way. This guide is essential reading for all decoys, including both instructors and students. It will improve the effectiveness of all K9 personnel, handlers, and trainers. Get a free ebook through the Shelfie app with the purchase of a print copy.

A comprehensive guide to training and deploying your drug-detection dog. Learn how to: Select the right dog for drug detection work. Train your K9 using the latest techniques with proven results. Plan and execute searches of individuals and in a variety of settings, including open air locations, warehouses and other buildings, airplanes, automobiles, and ships. In the fight against illegal drugs, a well-trained K9 can be your most important asset. K9 Drug Detection gives trainers and handlers the tools and knowledge they need to properly train and deploy a highly effective K9 drug detection team. Expert trainers Dr. Resi Gerritsen and Ruud Haak provide the key principles for successful training, as well as step-by-step training schedules for both active and passive responses. They describe the many factors that affect a K9 's work in the field, including the influence of air currents and various weather conditions. They teach you how to protect your K9 from dangerous substances and what to do if your dog is accidentally exposed. They also provide background information every K9 drug detection handler should know, such as the basics of drug laws in North America and Europe and essential facts about the appearance, effects, risks, and use of the most common illegal drugs.

A comprehensive guide to the history and development of the Malinois breed. Learn: Specific problems Malinois handlers and trainers may encounter. How the breed developed to become the top choice for police work. Other roles for which the Malinois is perfectly adapted, including tracking, search and rescue, oil and gas detection, and more. The Malinois is one of the most effective working dog breeds in the world, prized for their intelligence and high energy level. This breed, which for centuries served as the ultimate sheepdog, has become increasingly popular among police departments and militaries that recognize its unique suitability for detection and police work. Beginning with a brief history of Belgian shepherd dogs, Resi Gerritsen and Ruud Haak next explore the emergence of the Malinois as a distinct breed over a century ago and examine the history of the Malinois in police work. They also provide practical tips and information for those who are raising and training a Malinois themselves.

The best positive obedience training program for your pets or working dog. Use proven techniques to: - Train your puppy with basic exercises to prepare for future obedience training. - Correct common problem behaviors, such as barking, bolting, and chewing. - Progress from basic to advanced exercises to ensure your dog is always learning. Obedience is the foundation of any reliable, well-trained dog. Without obedience, working dogs are ineffective in operations and pet dogs can be annoying and possibly a danger to themselves or others. In K9 Obedience Training, certified animal behavior consultant and veteran search and rescue (SAR) dog handler and trainer Susan Bulanda shares the secrets of building an effective obedience training program. SAR dogs need “ thinking ” obedience: they sometimes need to exercise intelligent disobedience in the field. You can use the same training program for any working or pet dog. For trainers who demand the best obedience training for future working dogs, Susan ’ s techniques lay the groundwork for success. And pet owners who want to help their dog be easy to be around will find lots of training tips and exercises too, along with straightforward advice on proper handling, grooming, and teaching simple tricks.
