Welcome to the documentation section of the K-9 Mail website. This section aims to provide information on current features (and give some pointers on future direction where possible). However as a living project, the section is a constant work-in-progress and is often developed along-side / after the features themselves.

Documentation - K-9 Mail

When you open K-9 Mail for the first time you will be asked to set up a new account. If you already have accounts set up you will need to tap on the + in the top right to add a new account on the accounts screen. You will be shown the screen below. Enter your email address and password, then tap on Manual Setup.

K-9 Mail Set Up Guide (IMAP) | Runbox Help

The buttons “ Manual setup ” and “ Next ” become only activated after a correctly formatted email address and a password have been typed in. If you choose “ Next ” and the domain part of your email address is known to K-9 Mail, the connection settings for the incoming and outgoing server are automatically set up for you.

mjp, there are still several things the stock e-mail does better than K-9 but I don't think this long-press thing is one of those issues. If you have correctly enabled the new "touch-friendly" list view, you should be seeing colored check boxes about 3/8" wide on the left and blanked out stars on the right.
