If you are looking for an effective way for improving your sexual life, then keep reading... 2 in 1 Sex for the Couples and Sex Positions The evolution of sex since the beginning of our life thousands of years ago, sex has always been a crucial part of our relationship and experiences with pleasure, in addition to being an important contributor to our romantic needs. It is also the most practical method by which we usually bring forward future generations of our kind. The way, techniques and concepts regulating sexual contact between the human race, however, have changed significantly over those thousands of years, and beyond our earlier comprehension. For instance, as recently as in the 1940s, it would have been offensive for a girl to publicly flirt a bikini or jean that reveals her butt's crease-line or even to wear a blouse that exposes much of her cleavage in public. Today, seeing a girl walking down the street displaying her thong panties above her hip line or revealing her butt's crease-line just above offset pants is no unusual sight. Similarly, it would have been humiliating a few decades ago to discuss one's sexual preferences openly or even to show one's pleasure in oral or anal sex. Each man and woman today treat oral, anal and other forms of sex as a natural item and appropriate for their mutual pleasure. Additionally, sexual positions and role handling in bed is also a must, as nowadays it is said to be effective in helping to give both partners the gratification needed that can lead to an orgasm or some form of sexual climax that satisfies each other. This book covers the following topics: Erotic games - The techniques of tantra massage for beginners - How to talk dirty in an erotic way - Getting in the mood - Rules of the game - Sexual fantasies - The importance of foreplay - Ways to make you last longer in bed - Why there's need for sex and the use of different sex positions in a relationship - Tantra - Kamasutra - Sex Games - Advice for Beginners - Sex Positions for Beginners - How to Discover Your Sexual Fantasies and Fetishes - Have Fun and Play Dirty - Spice up Your Locations - Beyond the Bedroom ...And much more All you need to do is click the buy button and start to memorize and apply it!

Do you find your sex life boring? Do you want to explore more positions and know the benefits Kama Sutra? If the answer is yes, then this book is the right book for you! The word Kama is one that means pleasure but can also be translated as desire or longing. There is a sexual connotation associated with the word, meaning it is more to do with sexual pleasure and desire than with the pleasures of life or desire for material goods, but that doesn't mean that the Kama Sutra as a whole is limited to only sexual pleasure. Sutra, on the other hand, translates to verse or scripture. When you put these words together, you get the translation of "Scripture of Pleasure", but there are many variations on how you can literally translate this. There are a lot of complexes, errors and false moral prohibitions on the way to sexual harmony and freedom. And this is not surprising, because we are all people of Western culture. Meanwhile, Eastern attitude to sensual love is radically different from the sexual culture of the West. In Hinduism, the body and spiritual life, sexuality and religiosity were initially considered to be the whole unit. All the ancient oriental treatises on the art of love were devoted to the spiritual side of sex, and the Kama Sutra is perhaps one of the most famous. Today, the Kama Sutra is an inspiring guide for millions of couples, helping them learn how to control their mind and body, emotions and passion, allowing them to find freedom and harmony in intimate life. In this book, we will tell you what the Kama Sutra is, what place takes love and intimacy in it. An accompanying adult coloring book to the Kama Sutra might be a valuable study aid, a sort of lab manual if you will, by which sexual inhibitions and or anxieties of one or either partner are lessened by expressive drawing and playfulness.
