Twelve-year-old Harper loves to dance and is a rising star in Connecticut when her parents move her to Florida and she must prove herself to The Bunheads in order to compete.

Bunheads meets The Kicks in this second novel in a middle grade trilogy from New York Times bestselling author, dancer, model, and actress Maddie Ziegler! After a successful first competition, twelve-year-old Harper is eager to keep on making her mark in Dance Starz. But lately, she's having a bit of "dancer's block." In her one-on-one with her teacher, Harper is reminded that dancing isn't just about the spins and leaps; it's about the emotion and passion for dancing, too. And lately, she hasn't felt that Harper has been living up to her usual standards. Vanessa will be choosing the first soloist to compete at the next competition for the team, and suggests to Harper that she find a way to figure out how to get that mojo back. Thanks to a chance conversation, Harper joins the school musical. Not only is this an opportunity to polish up her stage presence, but as the newbie at school, Harper is excited to make some more friends. But some of the teammates are not thrilled that Harper is doing something besides the dance team. Plus, their biggest rivals, the Belles, are looking to go toe-to-toe with them in the upcoming competition—and both teams have something to prove. Harper realizes that the musical, dance team, and school might be a little much. Can she figure out how to find her balance—on-stage and off?

Bunheads meets The Kicks in this third novel in this entertaining middle grade series from New York Times bestselling author, dancer, model, and actress Maddie Ziegler! Harper and her fellow Dance Starz are headed to New York City for the big national competition! Not only will they be up against their arch-rivals, the Belles, but Harper will also face off against her old dance team. Does Harper have what it takes to finally prove that she belongs on the big stage?

A highly illustrated middle-grade series that celebrates new friendships, first crushes, and getting out of your comfort zone—now in paperback Ever since they can remember, fifth graders Kenzie (aka Kenzilla) and Shelly (aka Bomb Shell) have dreamed of becoming roller derby superstars. When Austin's city league introduces a brand-new junior league, the dynamic duo celebrates! But they'll need to try out as a five-person team. Kenzie and Shelly have just one week to convince three other girls that roller derby is the coolest thing on wheels. But Kenzie starts to have second thoughts when Shelly starts acting like everyone's best friend . . . Isn't she supposed to be Kenzie's best friend? And things get really awkward when Shelly recruits Kenzie's neighbor (and secret crush!) for the team.
