The King of the Mountains (KoM; Gran Premio della Montagna or GPM in Italian) is the title given to the best climber in a cycling road race; usually and officially known as the Mountains classification. For women's cycle racing, a similar term, Queen of the Mountains (QoM) is used. While the title may be given to the rider who achieves the highest position over several designated climbs in a ...

King of the Mountain is a 1981 American drama film starring Harry Hamlin, Joseph Bottoms, Deborah Van Valkenburgh, Richard Cox, Seymour Cassel and Dennis Hopper about a group that race their cars up and down Mulholland Drive for both money and prestige.. The film's primary focus is Steve (Harry Hamlin), who has found himself generally content with his uncomplicated life of working and racing.

King of the Mountain (film) - Wikipedia

King of the Mountain presents the startling findings of Arnold M. Ludwig's eighteen-year investigation into why people want to rule. The answer may seem obvious power, privilege, and perks but any adequate answer also needs to explain why so many rulers cling to power even when they are miserable, trust nobody, feel besieged, and face almost certain death. Ludwig's results suggest that ...

King of the Mountain presents the startling findings of Arnold M. Ludwig's eighteen-year investigation into why people want to rule. The answer may seem obvious - power, privilege, and perks - but any adequate answer also needs to explain why so many rulers cling to power even when they are miserable, trust nobody, feel besieged, and face almost certain death. Ludwig's results suggest that ...

King of the Mountain: The Nature of Political Leadership ...

We were King of the Mountain. Until 2016. Since the election of President Trump, China has climbed to the top of the mountain. While the US has made a mockery of collaboration, insulting and alienating former allies, causing dangerous divisions among US voters, and instilling a sense of distrust and confusion in leaders around the world, China has done the opposite. Beijing has dedicated ...

"Bonanza" King of the Mountain (TV Episode 1964) - IMDb

Completely free of shame, King of the Mountains is the hilarious result. Carrington has used the four years since his last new album to hone his ribald act without disrupting the easygoing, everyman charm. His standup material is tight, but it also flows effortlessly with the comedian casually strolling through his day-to-day life of porno, immature friends, dysfunctional family, and a world ...

King of the Mountains - Rodney Carrington | Songs, Reviews ...

"In the Hall of the Mountain King" (Norwegian: I Dovregubbens hall, lit. 'In the Dovre man's hall') is a piece of orchestral music composed by Edvard Grieg in 1875 as incidental music for the sixth scene of act 2 in Henrik Ibsen's 1867 play Peer Gynt. It was originally part of Opus 23 but was later extracted as the final piece of Peer Gynt, Suite No. 1, Op. 46.

"People may choose to ignore their animal heritage by interpreting their behavior as divinely inspired, socially purposeful, or even self-serving, all of which they attribute to being human, but they masticate, fornicate, and procreate, much as chimps and apes do, so they should have little cause to get upset if they learn that they act like other primates when they politically agitate, debate, abdicate, placate, and administrate, too." King of the Mountain presents the startling findings of Arnold M. Ludwig's eighteen-year investigation into why people want to rule. The answer may seem obvious—power, privilege, and perks—but any adequate answer also needs to explain why so many rulers cling to power even when they are miserable, trust nobody, feel besieged, and face almost certain death. Ludwig's results suggest that leaders of nations tend to act remarkably like monkeys and apes in the way they come to power, govern, and rule. Profiling every ruler of a recognized country in the twentieth century—over 1,900 people in all—Ludwig establishes how rulers came to power, how they lost power, the dangers they faced, and the odds of their being assassinated, committing suicide, or dying a natural death. Then, concentrating on a smaller sub-set of 377 rulers for whom more extensive personal information was available, he compares six different kinds of leaders, examining their characteristics, their childhoods, and their mental stability or instability to identify the main predictors of later political success. Ludwig's penetrating observations, though presented in a lighthearted and entertaining way, offer important insight into why humans have engaged in war throughout recorded history as well as suggesting how they might live together in peace.

A flea proves who is really king of the mountain.

A throne won in blood will soon be drenched in it. A monarch who rules through intimidation will fear as much as they are feared. Ever since her mother Queen Aramaris was killed by the Malda, Ariawyn has been raised to be the next Queen Of Lathai. But she feels unprepared for her role, and, to buy time before her coronation, she flees her kingdom, joining a group of wandering dwarves and returning to their homeland of Fighgaruhm. All is not well, however, in Fighgaruhm, and as tensions rise, the dwarves' newly democratic government is threatened by those who still remain loyal to the Disposed King. Back in Lathai, Rune journeys to the capital city for the first time, where he quickly develops a friendship with the Regent Prince Luthitan and his niece, Naemyra. His loyalties will be tested, between his childhood friend Ariawyn, and the regent who seems to be a far better fit for the throne. As Ariawyn finds herself embroiled in the politics of the dwarves, those she left behind grapple with a kingdom that has lost its heir, an over-ambitious regent, and unwelcome tidings from the Northern Isles. With a cast of eclectic characters - including talking lizards, mischievous gods, and the ever troublesome Malda - The Last King of the Mountain is the first in an exciting new fantasy series, perfect for fans of The Lord of the Rings, Throne of Glass, and The Cruel Prince.

A Newbery Honor Winner A New York Times Bestseller This stunning fantasy inspired by Chinese folklore is a companion novel to Starry River of the Sky and the New York Times bestselling and National Book Award finalist When the Sea Turned to Silver In the valley of Fruitless mountain, a young girl named Minli lives in a ramshackle hut with her parents. In the evenings, her father regales her with old folktales of the Jade Dragon and the Old Man on the Moon, who knows the answers to all of life's questions. Inspired by these stories, Minli sets off on an extraordinary journey to find the Old Man on the Moon to ask him how she can change her family's fortune. She encounters an assorted cast of characters and magical creatures along the way, including a dragon who accompanies her on her quest for the ultimate answer. Grace Lin, author of the beloved Year of the Dog and Year of the Rat returns with a wondrous story of adventure, faith, and friendship. A fantasy crossed with Chinese folklore, Where the Mountain Meets the Moon is a timeless story reminiscent of The Wizard of Oz and Kelly Barnhill's The Girl Who Drank the Moon. Her beautiful illustrations, printed in full-color, accompany the text throughout. Once again, she has created a charming, engaging book for young readers.

Now in paperback! See what perils await our beloved blue-haired adventurer in the sixth book of Luke Pearson's widely praised series. We rejoin our heroine for her latest adventure just as she awakes to find herself... in the body of a troll! Her mum is worried sick, and is perplexed by the strange creature that seems to have taken Hilda's place. Now, both of them are in a race to be reunited before Ahlberg and his safety patrol get the chance to use their new secret weapon to lay waste to the trolls, and Hilda along with them!

People may choose to ignore their animal heritage by interpreting their behavior as divinely inspired, socially purposeful, or even self-serving, all of which they attribute to being human, but they masticate, fornicate, and procreate, much as chimps and apes do, so they should have little cause to get upset if they learn that they act like other primates when they politically agitate, debate, abdicate, placate, and administrate, too. ” —from the book King of the Mountain presents the startling findings of Arnold M. Ludwig ' s eighteen-year investigation into why people want to rule. The answer may seem obvious—power, privilege, and perks—but any adequate answer also needs to explain why so many rulers cling to power even when they are miserable, trust nobody, feel besieged, and face almost certain death. Ludwig ' s results suggest that leaders of nations tend to act remarkably like monkeys and apes in the way they come to power, govern, and rule. Profiling every ruler of a recognized country in the twentieth century—over 1,900 people in all, Ludwig establishes how rulers came to power, how they lost power, the dangers they faced, and the odds of their being assassinated, committing suicide, or dying a natural death. the main predictors of later political success. Ludwig ' s penetrating observations, though presented in a lighthearted and entertaining way, offer important insight into why humans have engaged in war throughout recorded history as well as suggesting how they might live together in peace.

Based on the 1867 play Peer Gynt by Henrik Ibsen, set to Edvard Grieg's musical masterpiece, author and music teacher Allison Flannery captures the wonder and imagination of childhood while also providing an age-appropriate, entertaining introduction to music theory and appreciation. Children, educators, and parents will be delighted by Vesper Stamper's beautiful watercolors that bring Flannery's retelling to life. Come sing, dance and explore with Peer to Greig's music on the included CD.

Mark Newman had heard tales of the demon that resided on the rocky slopes of the mountain, but he didn't believe them. The day his friend disappeared in a sudden, blinding snowstorm, Mark believed when he saw something he knew couldn't be real--something that would kill again and again. Includes three bonus short stories.
