SPECIAL FILM EVENT: THE LION KING: Embark on an epic journey with ... Johann Heinrich Schmelzer, Lennon-McCartney, Don Stratton, Arthur Sullivan, and even Richard the Lionheart.

The second book of two, *Sound Pictures* traces the story of George Martin and the Beatles' incredible artistic trajectory after reaching the creative heights of *Rubber Soul*. As the bandmates engage in brash experimentation both inside and outside of the studio, creating such masterworks as *Revolver*, *Sgt. Pepper's Lonely Hearts Club Band*, *The Beatles (The White Album)*, and *Abbey Road*, the internal stakes and interpersonal challenges become ever greater. During his post-Beatles years, Martin attempts to discover new vistas of sound recording with a host of acts, including Jeff Beck, America, Cheap Trick, Paul McCartney, and Elton John. Eventually, though, all roads lead Martin back to the Beatles.

This delightful collection of 99 rounds, canons and partsongs makes a delightful introduction to part-singing to kids from 6 to 106! The selections are arranged by categories including English Pre-1700 (Secular), Pre-1700 (Sacred), Post 1700, From Around the World and Wordless Rounds. There's also a surprise or two! Includes: Alleluia (Boyce), Christmas Is Coming, Coffee Canon, Come Follow, Come Let Us All A-Maying Go, Dona Nobis Pacem, Hava Na Shira, If Turn'd Topsy Turvy, Jubilate Deo, Mi Gallo, My Dame Hath a Lame Tame Crane, Non Nobis Domine, Oaken Leaves, Shalom Chaverim, The Silver Swan, Summer Is A-Coming In, Tallis' Canon, Viva la Musica, When Jesus Wept and 80 more.

A complete and fascinating chronicle of Beatles music and history, *Beatlesongs* details the growth, evolution, and dissolution of the most influential group of our time. Drawing together information from sources that include interviews, insider accounts, magazines, and news wire services, this is a complete profile of every Beatles song ever written -- from recording details such as who played which instruments and sang what harmonies to how each song fared on the charts and how other musicians and critics felt about it. Chronologically arranged by U.K. release date, *Beatlesongs* nails down dates, places, participants, and other intriguing facts in a truly remarkable portrait of the Liverpool legends. Behind each song is a story -- like Paul's criticism of George's guitar playing during the *Rubber Soul* sessions, John's acid trip during the *Sgt. Pepper's* session, and the selection process for the *Revolver* album cover. And carefully examined along the way are the Beatles' evolving musical talents, their stormy private lives, and their successful -- and unsuccessful -- collaborations. *Beatlesongs* is truly an inside look at the Fab Four and a treasure for all their fans.

An illuminating look at the most tumultuous decade in the life of a rock icon—the only McCartney biography in decades based on firsthand interviews with the ex-Beatle himself. As the 1970s began, the Beatles ended, leaving Paul McCartney to face the new decade with only his wife Linda by his side. Holed up at his farmhouse in Scotland, he sank into a deep depression. To outsiders, McCartney seemed like a man adrift—intimidated by his own fame, paralyzed by the choices that lay before him, cut loose from his musical moorings. But what appeared to be the sad finale of a glorious career was just the start of a remarkable second act. The product of a long series of one-on-one interviews between McCartney and Scottish rock journalist Tom Doyle, *Man on the Run* chronicles Paul McCartney's decade-long effort to escape the shadow of his past, outrace his critics, and defy the expectations of his fans. From the bitter and painful breakup of the Beatles to the sobering wake-up call of John Lennon's murder, this is a deeply revealing look at a sometimes frightening, often exhilarating period in the life of the world's most famous rock star. Sensing that he had nowhere to go but up, Paul McCartney started over from scratch. With emotional—and musical—backing from Linda, he released eccentric solo albums and embarked on a nomadic hippie lifestyle. He formed a new band, Wings, which first took flight on a ramshackle tour of British university towns and eventually returned Paul to the summit of arena rock superstardom. In *Man on the Run*, Doyle follows McCartney inside the recording sessions for Wings' classic album *Band on the Run*—and provides context for some of the baffling misfires in his discography. Doyle tracks the dizzying highs and exasperating lows of a life lived in the public spotlight: the richly excessive world tours, the Japanese drug bust that nearly ended McCartney's career, his bitter public feuds with his erstwhile Beatle bandmates, and the aftermath of an infamous drug-and-alcohol-fueled jam session where McCartney helped reconcile the estranged John Lennon and Yoko Ono. For Paul McCartney, the 1970s were a wild ride with some dark turns. Set against the backdrop of a turbulent decade, *Man on the Run* casts the “sunny Beatle” in an entirely new light. Praise for *Man on the Run* “Tom Doyle's detailed chronicle, which includes rare interviews with McCartney and former Wings members, portrays a band that was far more contentious than eager-to-please hits like 1976's ‘Let 'Em In’ had us believe, fronted by a legend who wanted to be both boss and buddy. The book is larded with tales of Seventies rock-star excess, Paul and Linda's love of weed, docked paychecks, and grouching musicians.”—*Rolling Stone* “Well-researched but still breezy and engaging, the book offers a comprehensive tour of the shaggy, bleary-eyed decade when the hardest-working ex-Beatle reached the zenith of his creative and commercial success. . . . *Man on the Run* makes an excellent contribution to the burgeoning literature devoted to McCartney's post-Beatles career.”—*The Boston Globe* “In the 1970s, a depressed, heavy-drinking Paul McCartney walked away from The Beatles and reinvented himself as the leader of another hitmaking rock 'n' roll band. A new book by longtime *Q* magazine contributing editor Tom Doyle about that turbulent period in the legendary rock star's life, *Man on the Run*, catches him in

mid-flight.”—Billboard

Grandude brightens a dreary weekend for his visiting grandchildren, Lucy, Tom, Em, and Bob, by using his magic compass and postcards to take them on adventures around the world.

If Music is your food of love and you love quizzing, then feast on this banquet of over 8,000 carefully selected musical quiz questions. Covering every aspect of the music industry, this book makes a great idea for a music pub quiz night or just to test your friends musical knowledge.
