Consider your cat's weight and ability to eat. Food is essential to life. If the cat has pain (dental, arthritic, or abdominal are the most common in older pets) then it may inhibit her from eating because it hurts to get up and do so. Another example is the cat that eats but regularly vomits food back up.

Your will lets you decide what happens to your money, property and possessions after your death. If you make a will you can also make sure you do not pay more Inheritance Tax than you need to.

*Making a will - GOV.UK*

Put up physical barriers. A decent, solid fence or some judicious conifer plantings will prevent them from seeing into your property. Screen your windows with mesh or stick-ons—we've just discovered how good (and pretty) this RabbitGoo decorative window privacy film is. Our windows are right on the street and this film prevents anyone, neighbors or otherwise, from getting a look inside.
