Like Mark Twain, Kurt Vonnegut (1922-2007) was a Midwestern everyman steeped in the rhythms of American speech whose anger at the way things are was matched only by his love for the best that we can be. His cunningly relaxed delivery was so original, so finely calibrated, and so profound an articulation of the Sixties' spirit that many critics overlooked the moral seriousness behind the standup-comic craftsmanship. Capturing Vonnegut in pyrotechnic mid-career, this first volume of a projected three-volume edition gathers

Read Free Kurt Vonnegut Novels Stories 1963 1973

four of his most acclaimed novels. *Cat's Cradle* (1963) is a comedy of the end of the world (it ends with ice). *God Bless You, Mr. Rosewater* (1965) is the tale of a so-called fool, his money, and the lawyer who contrives to part them (it ends with fire).

Slaughterhouse-Five (1969), Vonnegut's breakout book and one of the iconic masterpieces of twentieth-century American literature, is the tale of Billy Pilgrim, who, being unstuck in time, is doomed to continually relive both the firebombing of Dresden and his abduction by space aliens. And, in a text

Read Free Kurt Vonnegut Novels Stories 1963 1973

enhanced by the author's
spirited line drawings,
Breakfast of Champions
(1973) describes the fateful
meeting of "two lonesome,
skinny, fairly old white
men," one of whom
disastrously believes that
everyone else is a robot.
The volume is rounded out
with three brilliant short
stories and revealing
autobiographical accounts of
the bombing of Dresden.

most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.

Before winning international fame with *Cat's Cradle* and *Slaughterhouse-Five*, Kurt Vonnegut was a master of the drugstore paperback and the popular short story. This authoritative collection of his brilliant early work opens with *Player Piano*

Read Free Kurt Vonnegut Novels Stories 1963 1973

(1952), a Metropolis-like parable of breakneck technological innovation and its effect on those it robs of their livelihoods. The Sirens of Titan (1959), the interplanetary adventures of the world's wealthiest and most despised man, is both a pulp-fiction space opera and a satire on the vanity of human striving. The confessions of a German-American double agent well placed among the Nazi elite, Mother Night (1962) is a cautionary tale with a famous moral: "We are what we pretend to be, so we must be careful about what we pretend to be." Here too are six of Vonnegut's best short

Read Free Kurt Vonnegut Novels Stories 1963 1973

stories, gems that display his matchless talent for hilarious invention and caustic social criticism. A companion volume, Kurt Vonnegut: Novels & Stories 1963-1973, collects *Cat's Cradle*; *God Bless You, Mr. Rosewater*; *Slaughterhouse-Five*; *Breakfast of Champions*; and three short stories, including "Welcome to the Monkey House."

“A free-wheeling vehicle . . . an unforgettable ride!”—The New York Times
Cat’s Cradle is Kurt Vonnegut’s satirical commentary on modern man and his madness. An apocalyptic tale of this planet’s ultimate fate, it features a midget as the protagonist, a

Read Free Kurt Vonnegut Novels Stories 1963 1973

complete, original theology created by a calypso singer, and a vision of the future that is at once blackly fatalistic and hilariously funny. A book that left an indelible mark on an entire generation of readers, *Cat's Cradle* is one of the twentieth century's most important works—and Vonnegut at his very best. “[Vonnegut is] an unimitative and inimitable social satirist.”—*Harper's Magazine*
“Our finest black-humorist . . . We laugh in self-defense.”—*Atlantic Monthly*

“[Vonnegut] at his wildest best.”—*The New York Times Book Review* Eliot

chilling shade of gray with
a verdict that will haunt us
all. "A great
artist."—Cincinnati Enquirer
"A shaking up in the
kaleidoscope of laughter . . .
. Reading Vonnegut is
addictive!"—Commonweal

The definitive edition of
Kurt Vonnegut's fiction
concludes with three
brilliantly satirical novels
of the 1980s and '90s
collected in one volume for
the first time. Here are the
final three novels of the
visionary master who defined
a generation. Bluebeard
(1987) is the colorful
history of a phenomenally
gifted realist painter who,

Read Free Kurt Vonnegut Novels Stories 1963 1973

in the 1950s, betrayed his artistic vision for commercial success. now, at seventy-one, he writes his memoirs and plots his revenge on the worldly forces that conspired to corrupt his talent. In Hocus Pocus (1990), a freewheeling prison memoir by a Vietnam vet and disgraced academic, Vonnegut brings his indelible voice to a range of still-burning issues—free speech, racism, environmental calamity, deindustrialization, and globalization. Timequake (1997), the author's last completed novel, is part science fiction yarn (starring perennial

Read Free Kurt Vonnegut Novels Stories 1963 1973

protagonist Kilgore Trout), part diary of the mid-1990s (starring the author himself). the result is a perfect fusion of Vonnegut's two signature genres, the satirical fantasy and the personal essay, and a literary magician's fond farewell to his readers and his craft. Rounded out with a selection of short nonfiction pieces intimately related to these three works, this volume presents the final word from the artist who the San Francisco Chronicle, reviewing *Timequake*, called an "old warrior who will not accept the dehumanizing of politics, the blunting of

Read Free Kurt Vonnegut Novels Stories 1963 1973

conscience, and the glibness
of the late-twentieth-
century Western world.”

Mr Rosewater

In this, his first collection of essays, Saunders trains his eye on the real world rather than the fictional and reveals it to be brimming with wonderful, marvellous strangeness. As he faces a political and cultural reality saturated with lazy media, false promises and political doublespeak, Saunders invokes the wisdom of American literary heroes Twain, Vonnegut and Barthelme and inspires us to re-examine our assumptions about the world we live in, as we struggle to discover what is really there.

Read Free Kurt Vonnegut Novels Stories 1963 1973 Cats Cradle God Bless You

The author's first full-length novel in seven years, a hilarious moral satire features a science fiction writer, Kilgore Trout, who manages to turn time back a decade, insisting that everyone repeat it exactly the same way. Reprint.

“A rich, generous book about writing and reading and Kurt Vonnegut as writer, teacher, and friend . . . Every page brings pleasure and insight.”—Gail Godwin, New York Times bestselling author Here is an entirely new side of Kurt Vonnegut, Vonnegut as a teacher of writing. Of course he's

Read Free Kurt Vonnegut Novels Stories 1963 1973

given us glimpses before, with aphorisms and short essays and articles and in his speeches. But never before has an entire book been devoted to Kurt Vonnegut the teacher. Here is pretty much everything Vonnegut ever said or wrote having to do with the writing art and craft, altogether a healing, a nourishing expedition. His former student, Suzanne McConnell, has outfitted us for the journey, and in these 37 chapters covers the waterfront of how one American writer brought himself to the pinnacle of the writing art, and we can all benefit as a result.

Read Free Kurt Vonnegut Novels Stories 1963 1973

Kurt Vonnegut was one of the few grandmasters of American literature, whose novels continue to influence new generations about the ways in which our imaginations can help us to live. Few aspects of his contribution have not been plumbed—fourteen novels, collections of his speeches, his essays, his letters, his plays—so this fresh view of him is a bonanza for writers and readers and Vonnegut fans everywhere. “Part homage, part memoir, and a 100% guide to making art with words, *Pity the Reader: On Writing with Style* is a simply mesmerizing book, and I cannot recommend it highly
