Lagom: The Swedish Secret of Living Well is a solid book and a great read. The book not only gives readers an insight into Swedish life and culture but the added bonus is that Lola Akinmade Åkerström is able to present both viewpoints through her lived experiences inside and outside Sweden. The author not only hypes the benefits of lagom, she also applies a critical eye towards it by highlighting its drawbacks – after all, everything in moderation, right?

As the Swedish proverb goes, 'Lagom är bäst' (The right amount is best). Lagom sums up the Swedish psyche and is the reason why Sweden is one of the happiest countries in the world with a healthy work-life balance and high standards of living.

### Lagom: The Swedish Secret of Living Well eBook: Åkerström ...

Lagom, the secret of Swedish happiness which is a trend in interior design Reducing the environmental impact or banking on order and balance as formulas for feeling better are some of the key factors of the 'lagom' philosophy. The PORCELANOSA Group is committed to decorative moderation with its quality designs for architecture and interior design.

### Lagom, the secret of Swedish happiness which is a trend in ...

Lagom is one of those concepts that is extremely difficult to explain to non-Swedes. There's a Swedish proverb that says "The right amount is best," and that is very much what Lagom is all about. In brief, it's the underpinning of not just the Swedish psyche, but the entire society and promotes a certain level of balance in all things.

### ETW #66 Understanding Lagom: Swedish Secret of Living Well ...

Now that the second book is read, it's about time to also write a review about "Lagom, the Swedish secret of living well" by Lola A. Åkerström too. Loyal readers know that I'm into lagom. I believe lagom is the key to a life in balance. I read both books and it was almost inevitable to start comparing both books while reading.

Perfect for fans of The Little Book of Hygge and Norwegian Wood, find the balance in life that is just right for you. Let Lola A. Åkerström, Editor-in-chief of Slow Travel Stockholm, be your companion to all things lagom. As the Swedish proverb goes, 'Lagom är bäst' (The right amount is best). Lagom sums up the Swedish psyche and is the reason why Sweden is one of the happiest countries in the world with a healthy work-life balance and high standards of living. Lagom is a way of living that promotes harmony. It celebrates fairness, moderation and being satisfied with and taking proper care of what you've got, including your well-being, relationships, and possessions. It's not about having too little or too much but about fully inviting contentment into our lives through making optimal decisions. Who better than Lola A. Åkerström to be your lagom guide? Sweden-based Lola is an award-winning writer, photographer, and editor-in-chief of Slow Travel Stockholm and she offers us a unique vantage point when it comes to adopting elements of a lagom lifestyle. Full of insights and beautiful photographs, taken by Lola herself, this authentic book will help you make small, simple changes to your every day life - whether that's your diet, lifestyle, money, work or your home - so you can have a more balanced way of living filled with contentment.

Step aside Hygge. Lagom is the new Scandi lifestyle trend taking the world by storm. This delightfully illustrated book gives you the lowdown on this transformative approach to life and examines how the lagom ethos has helped boost Sweden to the No.10 ranking in 2017's World Happiness Report. Lagom (pronounced 'lah-gom') has no equivalent in the English language but is loosely translated as 'not too little, not too much, just right'. It is widely believed that the word comes from the Viking term 'laget om', for when a mug of mead was passed around a circle and there was just enough for everyone to get a sip. But while the anecdote may hit the nail on the head, the true etymology of the word points to an old form of the word 'lag', which means 'law'. Far from restrictive, lagom is a liberating concept, praising the idea that anything more than 'just enough' is a waste of time. Crucially it also comes with a selflessness and core belief of responsibility and common good. By living lagom you can: Live a happier and more balanced life Reduce your environmental impact Improve your work-life balance Free your home from clutter Enjoy good food the Swedish way Grow your own and learn to forage Cherish the relationships with those you love

Uncover the secrets of the Swedish philosophy of life called Lagom – meaning 'just enough'. At its core is the idea that we can strike a healthy balance with the world around us without having to make extreme changes, and without denying ourselves anything.

"From home design and work-life balance, to personal well-being and environmental sustainability, author Anna Brones presents valuable Swedish-inspired tips and actionable ways to create a more intentional, healthy lifestyle. Instead of thinking about how we can work less,

lagom teaches us to think about how we can work better."--

WHAT MAKES SWEDES HAPPY? ONE WORD: LAGOM Throwing away all your stuff isn't going to make you happy. Conspicuous consumption isn't going to work either. But somewhere in the middle is lagom—the Swedish way to happiness based on the idea of not too much, not too little. Lagom is not just a word but the very essence of what it means to be a Swede. As you'll discover in this book, lagom is the secret to the enviable Swedish lifestyle of social consciousness, moderation, and sustainability. Guiding you to operate at your most natural, effortless state of contentment, *Live Laugh Lagom* teaches you to strive for the ultimate balance in all aspects of your existence, including well-being, relationships, work, finances, diet, and home life.

A Good Morning America Buzz Pick! As seen in *Vulture*, *Essence*, *Good Morning America*, *The Independent*, *Goodreads*, *PureWow*, and many more! "A sexy, surprising, searing debut about love, loss, desire, and the many dimensions of Black womanhood."—Deesha Philyaw, 2020 National Book Award Finalist & award-winning author of *The Secret Lives of Church Ladies* An arresting debut for anyone looking for insight into what it means to be a Black woman in the world. Three Black women are linked in unexpected ways to the same influential white man in Stockholm as they build their new lives in the most open society run by the most private people. Successful marketing executive Kemi Adeyemi is lured from the U.S. to Sweden by Jonny von Lundin, CEO of the nation's largest marketing firm, to help fix a PR fiasco involving a racially tone-deaf campaign. A killer at work but a failure in love, Kemi's move is a last-ditch effort to reclaim her social life. A chance meeting with Jonny in business class en route to the U.S. propels former model-turned-flight-attendant Brittany-Rae Johnson into a life of wealth, luxury, and privilege—a life she's not sure she wants—as the object of his unhealthy obsession. And refugee Muna Saheed, who lost her entire family, finds a job cleaning the toilets at Jonny's office as she works to establish her residency in Sweden and, more importantly, seeks connection and a place she can call home. Told through the perspectives of each of the three women, *In Every Mirror She's Black* is a fast-paced, richly nuanced yet accessible contemporary novel that touches on important social issues of racism, classism, fetishization, and tokenism, and what it means to be a Black woman navigating a white-dominated society. Praise for *In Every Mirror She's Black*: "In Every Mirror She's Black is a wise and complicated exploration of the lives of three Black women in America and Sweden. Lola Akinmade Åkerström offers a sharply written story with messy, deeply moving characters, raising brutal questions and steering clear of easy answers. A book that will stick with you long after you've turned the last page." —Taylor Jenkins Reid, New York Times bestselling author of *Daisy Jones & The Six* and *Malibu Rising* "In Every Mirror She's Black highlights the struggles of three women fighting to assimilate into a society that ignores their worth. These characters will pull at your heartstrings. Lola writes with a contemporary flair, highlighting the layered subtleties of the Black woman's plight. In Every Mirror She's Black will stay with readers for a long time." —Nicole Dennis-Benn, author of bestselling novels *Here Comes the Sun* and *Patsy* "In her debut novel, Lola Akinmade Akerstrom has given us a story that is at once enjoyable and disturbing as it explores the painful price millions of women around the world pay for walking around with black skin." —Imbolo Mbue, New York Times bestselling author of *Behold the Dreamers*

A Swedish doctor shares the secrets of Nordic health and happiness in this short guide to living a longer life. *The Nordic Guide to Living 10 Years Longer* is a pragmatic little book that channels the simple, healthy lifestyle of Scandinavia. Swedish doctor Bertil Marklund covers broad ground in just over one-hundred pages, providing a comprehensive guide to lifestyle choices, including sleep, diet, exercise, and the negative impact of stress; he also introduces the concept of lagom, a Swedish take on moderation. We can all adopt the ten tips outlined in the book without completely rethinking the way we live. With his practical advice, Dr. Marklund gives you the power to make a difference in your own life—today, and in the future.

Discover lagom—the Swedish idea of balance, harmony, beauty, and sufficiency. Our love affair with all things Scandinavian shows no signs of letting up. Having embraced the Danish concept of *hygge*, we're now looking to Sweden and one of their essential philosophies, lagom. It's best described as "not too much, not too little; just the right amount," which, in practice, is balance—and isn't that what we're all looking for? In this delightful little pocket book, Elisabeth Carlsson, a Swede who has been living in the UK for many years, lets us in on the secrets of the enviable Swedish lifestyle and shows us how we can all be a little more lagom. She explains what lagom means to the Swedish and then explores how it can relate to all areas of our life: from our separation of work and home through managing our time, to how we eat, never depriving ourselves but not overindulging and avoiding waste; from discovering what makes a home more lagom in style and function, to how we sustainably take care of that home; from appreciating and looking after our body with moderate exercise and care, to our approach to life as a whole, and realising that what's good for the world can also be good for us, too. Filled with advice and ideas, this thoughtful guide provides the key to a lagom way of living—healthy, harmonious, and happy.

Words shape and redefine reality, a constantly evolving and fluid interpretation of social rules and ideas. Foreign words expose us to other realities, unfamiliar practices and exotic beliefs. They can help us discover feelings that are not expressible in our native language. They can inspire us to adopt a new lifestyle, or question the way we live. They may seem obvious, obscure, quirky, unnecessary, universal, or remarkably niche. Swedish has enriched the English language with moped, ombudsman, and smorgasbord. While culturally, Abba, Ikea, Spotify, and Volvo have become part of the global lexicon and in many ways transcend their Swedish origins. But it is more recent words like lagom (moderation) and fika (coffee breaks) which have pushed Swedish language and culture deeper into the global consciousness. But Sweden is more than lifestyle trends and technical solutions. It is the country of fredagsmys (cosy Friday), kosläpp (release of the cows), lillördag (little Saturday, Wednesday), and where the average citizen dreams of a villa, Volvo and a vovve. - Explore the Swedish lifestyle beyond the cliches, with the help of more than 100 Swedish words, translated into English. - Learn more about the country where yes is just another word for no, where the word for poison is the same as for married, and where words without meaning are described as mashed snow. - Listen to three different Swedish dialects with complementary audio files, and wrap your tongue around the pronunciation tricks you need to master to sound like a local. - Be challenged with language quizzes, word games and crossword puzzles. - Enjoy the silliness of direct translations, false friends and other quirky features of the Swedish language — and learn more about the origins of those words we think of as Swedish today. *Villa Volvo Vovve* is inspired by *The Local's* popular 'Word of the day' column which continues to explore Swedish language and culture beyond global stereotypes and buzz words.
