The first thorough analysis of the 20th century's design milestones. Many of the 400 choices are the familiar icons of design—Tiffany's Cobweb lamp, Mies's Barcelona Chair, Loewy's Lucky Strike package, Sony's Walkman—while the influence of other works has been more subtle. Taken together these remarkable objects represent the high points of this era's design.

Throughout the 20th century, furniture became more than just a practical form.

Through the careful and creative eye of a few leading designers, furniture would be inspired by architectural ideas and shaped to become a form of art. Culture Trip takes a look at the leading designers who not only pioneered bold creations during their time, but who also developed iconic styles that defined an era ...
