raised in his work about  
the very nature of  
authenticity.

In the late 1980s, despite  
the fact that the vast  
majority of women now  
had a dual role – in paid  
work and in the domestic  
realm – the world of  
work, the welfare state,  
and the domestic sphere  
were all still organized as  
though women ' s place

Larousse

were primarily in the home. Though this contradiction most directly affected women, it had implications for the lives of both sexes, and in a much wider social context.

Women ' s changing role had paralleled a major restructuring of the economy but the importance of these changes was barely

Read Free

Larousse

reflected in

contemporary political discussions, or in political science or social policy literature. In this title, originally published in 1987, articles from women in Italy, France, Denmark, Norway, the US and Britain bring the issues sharply into focus. Applying fresh perspectives, they widen and enrich the debate.

Read Free

Larousse

This book marks a powerful contribution to a new and more realistic assessment of women ' s dual role in the state and the economy which should be read by all those concerned with the development of women ' s issues and with women ' s studies.
