tortured psyche and the methods by which it can be healed."—School Library Journal Zach is eighteen. He is bright and articulate. He's also an alcoholic and in rehab instead of high school, but he doesn't remember how he got there. He's not sure he wants to remember. Something bad must have happened. Something really, really bad. Remembering sucks and being alive—well, what's up with that? I have it in my head that when we're born, God writes things down on our hearts. See, on some people's hearts he writes Happy and on some people's hearts he writes Sad and on some people's hearts he writes Crazy on some people's hearts he writes Genius and on some people's hearts he writes Angry and on some people's hearts he writes Winner and on some people's hearts he writes Loser. It's all like a game to him. Him. God. And it's all pretty much random. He takes out his pen

and starts writing on our blank hearts. When it came to my turn, he wrote. I don't like God very much. Apparently he doesn't like me very much either. Sad Benjamin Alire Sáenz is a prolific novelist, poet, and author of children's books. Sammy and Juliana in Hollywood, his first novel for young adults, was a finalist for the Los Angeles Times Book Prize and a Young Adult Library Services Association Top Ten Books for Young Adults pick in 2005.

Eighteen-year-old Zach does not remember how he came to be in a treatment center for alcoholics, but through therapy and caring friends, his amnesia fades and he learns to face his past while working toward a better future.

Himself--named a Best Book of the Year by The Washington Post, the San Francisco Chronicle, and Entertainment Weekly A Finalist for the Los Angeles Times Book Prize Perched in the far corner of a run-down New England mall, the Red Lobster hasn't been making its numbers and headquarters has pulled the plug. But manager Manny DeLeon still needs to navigate a tricky last shift--just four days before Christmas and in the midst of a fierce blizzard--with a near-mutinous staff and the final onslaught of hungry retirees, lunatics, and holiday office parties. All the while, he's wondering how to handle the waitress he's still in love with, his pregnant girlfriend, and where to find the present that will make everything better. Stewart O'Nan has been called "the bard of the working class," and Last Night at the Lobster is a poignant yet redemptive look at what a man does when he discovers that his best might not

be good enough.

A funny, transporting, surprising, and poignant novel that was one of the highest-selling debuts of recent years in Korea, *Love in the Big City* tells the story of a young gay man searching for happiness in the lonely city of Seoul. *Love in the Big City* is the English-language debut of Sang Young Park, one of Korea's most exciting young writers. A runaway bestseller, the novel hit the top five lists of all the major bookstores, went into twenty-six printings, and was praised for its unique literary voice and perspective. It is now poised to capture a worldwide readership. Young is a cynical yet fun-loving Korean student who pinballs from home to class to the beds of recent Tinder matches. He and Jaehee, his female best friend and roommate, frequent nearby bars where they push away their

anxieties about their love lives, families, and money with rounds of soju and ice-cold Marlboro Reds that they keep in their freezer. Yet over time, even Jaehee leaves Young to settle down, leaving him alone to care for his ailing mother and to find companionship in his relationships with a series of men, including one whose handsomeness is matched by his coldness, and another who might end up being the great love of his life. A brilliantly written novel that takes us into the glittering nighttime of Seoul and the bleary-eyed morning after with both humor and emotion, *Love in the Big City* is a wry portrait of millennial loneliness as well as the abundant joys of queer life.

of geography and culture. But it is in the interior journeys of the psyche and the soul that we must find salvation; Saenz ' s brilliant prose penetrates to that core and he finds and exposes that truth. A reader can ask for no more than this: to be spellbound by a story, and to come to the last page with a sense of having been being changed and allowed to carry something of it away. ” —Abraham Verghese, author of *My Own Country* From award-winning poet Benjamin Alire S á enz comes a haunting novel depicting the cruelties of cultural displacement and the resilience of those who are left in its aftermath. In *Perfect Light* is the story of two strong-willed people who are forever altered by a single tragedy. After Andrés Segovia's parents are killed in a car accident when he is still a young boy, his older brother decides to steal the family away to Juárez, Mexico. That decision, made with the best intentions, sets into

motion the unraveling of an American family. Years later, his family destroyed, And é s is left to make sense of the chaos—but he is ill-equipped to make sense of his life. He begins a dark journey toward self-destruction, his talent and brilliance brought down by the weight of a burden too frightening and maddening to bear alone. The manifestation of this frustration is a singular rage that finds an outlet in a dark and seedy El Paso bar—leading him improbably to Grace Delgado. Recently confronted with her own sense of isolation and mortality, Grace is an unlikely angel, a therapist who agrees to treat And é s after he is arrested in the United States. The two are suspicious of each other, yet they slowly arrive at a tentative working relationship that allows each of them to examine his and her own fragile and damaged past. With the urgent, unflinching vision of a true storyteller and the precise, arresting language of a poet,

Sáenz's *In Perfect Light* bears witness to the cruelty of circumstance and, more than offering escape, the novel offers the possibility of salvation.

NOW A MAJOR MOTION PICTURE The #1 New York Times bestselling worldwide sensation with more than 12 million copies sold, “ a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature ” (The New York Times Book Review). For years, rumors of the “ Marsh Girl ” have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that

she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Delia Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

Considered by many to be mentally retarded, a brilliant, impatient fifth-grader with cerebral palsy discovers a technological device that will allow her to speak for the first time.
