Administrative law, the legal framework within which public administration is carried out. It derives from the need to create and develop a system of public administration under law, a concept that may be compared with the much older notion of justice under law.

Administrative law | Britannica

The Department of Business Law offers a course of study leading to a B.S. degree in Business Administration with an option in Business Law. This program prepares students to analyze complex problems, think critically and communicate effectively, while learning the legal principles pertinent to making business decisions.

Business Administration, B.S. - Business Law

As a legal concept, administration is a procedure under the insolvency laws of a number of common law jurisdictions, similar to bankruptcy in the United States. It functions as a rescue mechanism for insolvent entities and allows them to carry on running their business. The process – in the United Kingdom colloquially called being "under administration" – is an alternative to liquidation or may be a precursor to it. Administration is commenced by an administration order. A company in ...
