Two immortal realms on brink of war. One mortal standing in their way. With the quint squaring off against the king of Slait, Lera is running out of time to tame her feral magic. Worse still, just when the quint must weave together to survive, demons from Tye's past surface to tear them apart. Demons he fears facing himself, let alone sharing with Lera. But when Griorgi makes a move that no one expects, throwing River's, Shade's, and Coal's lives into question, the clock runs out. Lera and Tye have no choice but to fight their battles within--or risk losing Lunos and their quint forever. LERA OF LUNOS is a full-length reverse-harem fantasy novel, the stunning finale to the Amazon-bestselling, KDP-All Star POWER OF FIVE series.

Three trials stand between Lera and exile. Unless the training kills her first. Quint magic has never chosen a human before, and the Elders Council is convinced Lera is a mistake. When the quint refuses to be cleaved apart, the enraged elders give them a choice: exile from Lunos or demotion to the lowest of trainees. Subject again to the humiliations and deadly trials they endured centuries ago, the males now face a new challenge--training Lera to survive. River, Shade, Coal, and Tye will do whatever it takes to keep Lera safe. But Lera will do whatever she must to keep them together--even if it means putting herself in mortal danger. MISTAKE OF MAGIC is a full-length reverse-harem fantasy novel, sequel to the Amazon bestseller, POWER OF FIVE.

Four cords of power. Three trials. Two soul-crushing secrets. For Lera, training has never been so hard. With the males' power roaring in her veins and River's cold demand that she master the magic before the third trial, something has to give. Worse still, River is keeping something from her. Something about his past and Lunos's future. For River and Coal, the past must stay buried. Though one male's nightmare sits on a throne and the other's hides in his soul, they are equally unprepared for Lera's startling determination to undress the truth. But when Mors's Emperor Jawrar makes a play for Lunos, neither Lera's fledgling magic nor the males' old wounds can remain untouched--not if their world is to survive. TRIAL OF THREE is a full-length reverse-harem fantasy novel, third in the Amazon bestselling, KDP-All Star POWER OF FIVE series.

Four elite fae warriors. One mortal female. A magical bond they can't allow--or resist. Orphaned and sold to a harsh master, Lera's life is about mucking stalls, avoiding her master's advances, and steering clear of the mystical

forest separating the mortal and fae worlds. Only fools venture into the immortal realms, and only dark rumors come out... Until four powerful fae warriors appear at Lera's barn. River, Coal, Tye, and Shade have waited a decade for their new fifth to be chosen, the wounds from their quint brother's loss still raw. But the magic has played a cruel trick, bonding the four immortal warriors to... a female. A mortal female. Distractingly beautiful and dangerously frail, Lera can only be one thing--a mistake. Yet as the males bring Lera back to the fae lands to sever the bond, they discover that she holds more power over their souls than is safe for anyone... especially for Lera herself. Power of Five is a full-length reverse-harem fantasy novel.

Lera burned him. Now it's Tye's turn. Tye has sacrificed everything for his chance at the Prowess Trials, and Lera's betrayal in reporting his injuries nearly ended it all. Now there is nothing left but to kick Lera out of his world--and ensure the eviction stays. With less than a week until the continent's royals descend upon the Academy, Lera has only one last idea for staying close to the high-value targets: join the Prowess team made up of their children. Lera thinks she's ready to do whatever it takes... But when the emerald-eyed captain starts bullying her into quitting, she faces her greatest test yet. As the hours tick down toward the opening ceremonies, Lera must prepare to fight for the mortal world--if she can survive Tye's assault on her soul. GREAT FALLS PROTECTOR, POWER OF FIVE BOOK 7, is a full-length reverse-harem omnibus novel from Amazon top 100 author Alex Lidell. It was initially released in three installments, titled Enemy Tyes, Prowess Trials, and The Last Bell.

Tamora Pierce meets George R. R. Martin in this smart, political, medieval fantasy-thriller. There is a new king on the throne of Tildor. Currents of political unrest sweep the country as two warring crime families seek power, angling to exploit the young Crown's inexperience. At the Academy of Tildor, the training ground for elite soldiers, Cadet Renee de Winter struggles to keep up with her male peers. But when her mentor, a notorious commander recalled from active duty to teach at the Academy, is kidnapped to fight in illegal gladiator games, Renee and her best friend Alec find themselves thrust into a world rife with crime, sorting through a maze of political intrigue, and struggling to resolve what they want, what is legal, and what is right.

One elite fae warrior. Four superior officers. A bond they can't remember--or resist. Lera was once human. Now, with dark magic leaking into the mortal world, Lera and her four fae warriors must protect her home realm - even if that means going undercover to a human military academy. But when a sudden, terrible accident melds the males with their human disguise, everything changes. Now it's up to Lera to make her mates remember themselves, their mission, and her, before the entire mortal world pays the price. River, Shade, Tye, and Coal can't overlook the gorgeous new cadet who's just arrived at Great Falls Academy, but when the tantalizing Lera starts breaking rules and ignoring orders, the four senior officers intend to put her in her place. Lera will learn or she will quit--that is just how Great Falls works. RULES OF STONE is the first episode in the GREAT FALLS ACADEMY novella series, featuring the same reverse-harem cast as Alex Lidell's internationally bestselling POWER OF FIVE series. And the consequences can already be felt: a strange, ominous, body-cooling phenomenon is spreading throughout the world, causing a significant decrease in people's body temperatures. Omer, a sensitive and intelligent boy, begins to suffer from this phenomenon. Setting out to investigate, he gets caught in a worldwide, multi-dimensional adventure of a lifetime. Obscure characters accompany him to the depths of common memory and thought, teaching him to look from high above into the infinite river of life, for only there, alone and from a distance, will he be able to understand a terrible secret.
