The problem is, measuring reading level is really outside of its sweet spot as a learning tool, with better resources available from DRA, DIBELS, Lexile, Reading Recovery, and Rigby, among others. There is also the issue of availability, with most schools only using one or two of these tools, and primarily in early elementary school.

reading over the last twenty years, but no other leaders in literacy education have championed the topic with such depth and breadth as Irene Fountas and Gay Su Pinnell. In the highly anticipated second edition of *Guided Reading*, Fountas and Pinnell remind you of guided reading's critical value within a comprehensive literacy system, and the reflective, responsive teaching required to realize its full potential. Now with *Guided Reading, Second Edition*, (re)discover the essential elements of guided reading through: a wider and more comprehensive look at its place within a coherent literacy system a refined and deeper understanding of its complexity an examination of the steps in implementation-from observing and assessing literacy behaviors, to grouping in a thoughtful and dynamic way, to analyzing texts, to teaching the lesson the teaching for systems of strategic actions a rich text base that can support and extend student learning the re-emerging role of shared reading as a way to lead guided and independent reading forward the development of managed independent learning across the grades an in-depth exploration of responsive teaching the role of facilitative language in supporting change over time in students' processing systems the identification of high-priority shifts in learning to focus on at each text level the creation of a learning environment within which literacy and language can flourish. "A big-hearted story that's as sweet as it is awesome." –R.J. Palacio, author of Wonder "An honest, emotionally rich take on disability, family, and growing up." –Kirkus Reviews (starred review) In the tradition of Wonder and Out of My Mind, this big-hearted middle grade debut tells the story of an irrepressible girl with cerebral palsy whose life takes an unexpected turn when she moves to a new town. Ellie's a girl who tells it like it is. That surprises some people, who see a kid in a wheelchair and think she's going to be all sunshine and cuddles. The thing is, Ellie has big dreams: She might be eating Stouffer's for dinner, but one day she's going to be a professional baker. If she's not writing fan letters to her favorite celebrity chefs, she's practicing recipes on her well-meaning, if overworked, mother. But when Ellie and her mom move so they can help take care of her ailing grandpa, Ellie has to start all over again in a new town at a new

school. Except she's not just the new kid—she's the new kid in the wheelchair who lives in the trailer park on the wrong side of town. It all feels like one challenge too many, until Ellie starts to make her first-ever friends. Now she just has to convince her mom that this town might just be the best thing that ever happened to them!
