LIBER HVHI, the awaited grimoire of the Luciferian Path is now published containing the infernal rites of the Qlipboth, an extensive ideological and magical system presenting a grounded and understandable form of working with the Qlipbothic Tree of Da'ath and tunnels. The second part of the grimoire is based on the ritualistic inversions of the Avestan texts and the forbidden path of Predatory Spiritualism. LIBER HVHI contains the 22 spheres of the Infernal Qlipboth, the methods of filling and draining those "shells" and the Luciferian Rites of the Supper of Cain, symbolic of the first Satanist from the ancient Hebrew texts relating to the devouring process from a symbolic and ritualistic approach. The second half of Liber HVHI is the workings based on the demonology of the Avestan texts and ancient persian sorcery and predatory spirituality.

ADVERSARIAL LIGHT is a complete grimoire of practical self-initiation in the Luciferian Witchcraft magickal tradition. A Blend of Mythology, psychology, social understanding and Magick brings a new level and depth to the Left Hand Path. As a part of the foundation, "Adversarial Light" contains a basic comparison of Luciferianism and other Magickal traditions and ideologies such as Thelema, Kenneth Grant, Typhonian Magick, Austin Osman Spare and Anton Szandor LaVey's Satanism. As the foundations of Primal Luciferian Witchcraft are presented, the grimoire then presents "Azazelian Darkness," a balanced work which instructs the Watchers their methods of invocation, their Sigils constructed from Aramaic letters and traditional alchemical and elemental attributes.

The ideas of philosophers (Ficino, Pico, Della Porta, Bruno) on magic interfered with popular alternative and witchcraft rites. This book focuses on "wandering scholastics" (Trithemius, Agrippa, Paracelsus, Bruno) and will be a stimulating read for all those interested in Renaissance mentality.

The Bible of the Adversary Adversarial Flame 10th Anniversary Edition is both a philosophical introduction to Luciferian Magick. Published originally in 2007, The Bible of the Adversary provided a modern unification and clarification of the Left Hand Path initiatory power recognized as The Adversary and Luciferianism. The Adversarial Flame edition presents a completely re-edited and expanded edition which begins with the 11 Points of Power and the philosophical foundations; guiding the reader into the depths of darkness and by using Will, Desire and Belief, illuminating the Black Flame or Light within. Features: Philosophy of Luciferianism from the 11 Points of Power to the Laws of Belial. Symbols and Sigils of Lucifer, Satan, Lilith, Samael and Lilith explained. Techniques of strengthening the Mind via Meditation, Discipline and focus of Will. Ceremonies and Rituals of Luciferianism which focus on Liberation, Illumination and Apotheosis.

This book is a direct transmission from the spirits of the Demon Star, Al Ghoul (Algol). It is divided into three books. In the first book, Liber Asmodeus, the spirit Asmodeus gives instructions on how to awaken the dragon power, also known as kundalini force. This is accomplished through a formula called the ring of virtues, (for a man) or the rosary of our lady the younger Lilith. (for a woman) In the second book, Liber Younger Lilith, the spirit younger Lilith teaches the foundations of the great school of witchcraft, through alchemy, astral projection, the conjuration of demons, the familiar spirit, and spellcasting in the form of invisibility, animal transformation, and the sabbath of the witches. The third book, Liber Spiritum, gives the names, powers, images, sigils, and enns of 79 ancient and powerful demons. Together,

these three books form the instruction manual, or "grimoire" of the order of witches known as the AI Ghoul.

When leaving the Victoria airport the day before our Colloquium, I saw a van of the Dunsmuir Lodge marked with big letters which I read as "Alcohol Colloquium". I do often make such blunders because of the global, casual, and careless way in which I read various ads, and checked myself quickly to read it correctly as "Algol Colloquium". Millions of fellow citizens could easily make the same mistake, and no apology could be expected. Even I read and hear the word alcohol more frequently than Algol, although I must say that Algols have given me more pleasure and fewer headaches over the years; in that, however, I may be a singularity, and possibly a pitiful one at that. Being appointed Chairman of the Scientific Organizing Committee, I may be deemed to be a purer "Algolist" than other investigators, although my range of active interests is much broader; and the same is true about all the 28 invited speakers and all the other participants of the Colloquium. Our interests are strongly diversified, but there are several good reasons that brought us together at this Colloquium.

DCLXVI Edition - Liber HVHI - Magick of the Adversary published Hardback edition - June 6th, 2006 Striking collectors hardback with glossy dustwrapper. Contains additional material including RITUAL DCLXVI - The Rite of Chioa, an invocation of the Beast.
