An upROARiously funny take on following your wildest dreams, from the bestselling creator of Dinosaur Comics Being a regular old human is kind of a drag. That's why Sal is not going to be a teacher or doctor or lawyer when she grows up. She is going to grow up to be an awesome Tyrannosaurus Rex. Her brother thinks it's impossible, but Sal sure shows him! And in the beginning, being a T. Rex is AWESOME. But did you know that it's kind of hard to make friends when you are a super-giant, super-loud, super-stompy dinosaur? If only there were a way for Sal to be 100% awesome, 100% of the time... Eisner Award-winning writer Ryan North makes his picture book debut with this bright, bold, and quirky story about finding--and taming--the beast within.

This book provides pictures and brief facts about a variety of different kinds of dinosaurs.

Tiny T. Rex has a HUGE problem. His friend Pointy needs cheering up and only a hug will do. But with his short stature and teeny T. Rex arms, is a hug impossible? Not if Tiny has anything to say about it! Join this plucky little dinosaur in his very first adventure—a warm and funny tale that proves the best hugs come from the biggest hearts. Introducing an unforgettable character on the picture book scene, Tiny T. Rex will stomp into the hearts of readers in this winning new series.

Rex liked to roar even more than he liked to show his pointy teeth and his sharp claws. His brothers and sisters love his roaring but his parents do not. They say it is too loud -- but sometimes a loud roar is just what is needed!
