Is love enough to heal the pain of the past? Olivia Bailey and her sister know one thing for certain: they are in dire need of some time away from their normal, work-driven lives. While their bakery business has served them well, neither realized just how strenuous running their own business would be. Eager for a change, the girls set off for a trip around Scotland. But things quickly go awry when an unlikely incident sends Olivia tumbling off the side of the Quiraing on the Isle of Skye. Rather than meeting her near-certain death, she opens her eyes to find herself transported through time and hidden away in a castle with two of the most damaged, but handsome, men she's ever laid eyes on. She knows she needs to find a way back home to her sister, but as time passes, Olivia realizes that the only way for her to find peace might just be to accept where fate has placed her. With friends among the castle's staff and their intriguing laird to keep her occupied, the heartache of being ripped away from the life she knew before begins to heal. However, despite Olivia's efforts to move forward, her troubles are far from over, and she may be in more danger than she ever could have imagined... Paton Buchanan thought his sacrifice would mean something when he willingly stepped into the land of the fae to save his friend. But overseeing his late father's land comes with its challenges and finding any semblance of happiness for himself seems unlikely until a strange lass from the future arrives and reminds him of the people he'd once loved so much. Her perpetual optimism and kindness make it easy for him to fall in love with her. Slowly, the hurt inside him begins to fade. But her life belongs in the future, and he knows he cannot ask her to sacrifice that for him. Will his love for her be enough to convince her to stay, or will he be forced to lose yet another person he loves? And if she does stay, do they have what it takes to keep one another safe from the outside threat that looms over them both? It began nearly four hundred years ago. The Conall clan and all their people were murdered in a surprise attack, their beloved castle and all evidence of who destroyed them burned to the ground with their bodies. In the centuries following, archaeologists searched through the ruins looking for any evidence of what or who had caused the untimely demise of such a powerful Scottish clan. All efforts were fruitless, until a spell put in place by an ancient Conall ancestor finally began to work its magic.... Texas kindergarten teacher, Brielle Montgomery, finds comfort in the mundane routines of her life, but when her archaeologist mother asks her to accompany her on a dig in Scotland, she decides to step out of her comfort zone. Once in Scotland, they discover a secret spell room below the castle ruins, and Bri finds herself transported back in time and suddenly married to the castle's ill-fated Laird. Now, she must work to change the fate of his people, all while trying to find a way to return to her home and century. But with each passing day, Bri finds herself falling more deeply in love with her new husband. If she can find a spell to bring her home, will she use it? And if she stays, will it ultimately mean her own death as well?

The best surprises are the ones you never see coming. All Sydney Pearce needs is a change—something to end the stress and chaos of running her grandmother's old restaurant. Maybe then her life will finally start. When she receives a job offer to serve as chef at a castle resort in Scotland, she gets her wish and happily leaves the restaurant to begin a new chapter in her life. However, she quickly discovers that living at Cagair Castle comes with its complications. Not only must she learn to accept the shocking truth of the magic that resides within the castle walls, but she is also faced with mounting feelings for a man born hundreds of years in the past—a man so alluring and kind that despite her better judgment, she finds herself falling for him more each day. Callum MacChristy doesn't need any distractions. He has enough on his hands with the daily travels back and forth through time and the looming threat of the man who tried to destroy his home. His trips each night are meant to provide him a soft bed and a warm shower while he works and waits for his castle to be restored. Instead, he finds himself spending more and more time with a lass so enchanting his thoughts seem to drift toward her at every spare moment. As their feelings for one another grow, so does an unseen threat that could destroy any chance they have at happiness together. Will the truth be discovered before it's too late, or will an enemy they never expected ruin them all? Pick up all the books in Morna's Legacy Series.
