With its engaging and accessible writing style, Introduction to Business Law introduces students to the key legal areas relevant to the world of business and work. Practical examples and insights from professionals are included throughout the text to ensure understanding, while definitions of key terms, diagrams, and case studies support students without a legal background. Covering all the essential topics addressed on business law modules, including a new chapter on intellectual property Law, the text has been reviewed by lecturers and students to ensure the content gives readers the best chance of success in their studies. Online Resources The book is accompanied by a comprehensive Online Resource Centre offering a range of resources to support teaching and learning. Student Resources DT 'Striking the right balance' Lucy Jones describes how to get the most out of your textbook DT Suggested answers to end-of-chapter questions DT Exam tips and advice DT Flashcard glossary of key terms DT Multiple choice questions with instant feedback DT Chapter summary notes Lecturer Resources DT Additional assignment questions DT Group exercises DT PowerPoint slides for each chapter DT Research exercises DT Test bank of questions for use in class assessments

A student-centred text ideal for those new to the study of law. It adopts a fresh approach and is packed with photographs, diagrams and examples of how the law impacts on the business world.

Do your students struggle to engage with legal topics? Look no further than Marson and Ferris' Business Law to help them actively engage with the law, understand it, and approach it with confidence.Written with business, management, and finance and accounting students in mind, the authors put the law into a context that they can easily understand by introducing case studies in every chapter. "Business Scenarios" help the students contextualize the law by presenting the reader with an exampleof an everyday problem which demonstrates how the law can affect a company, employer, employee, or other individual.Throughout each chapter the students are asked to pause and consider how the content applies to these routine business problems, enabling them to become active readers and think independently about how the law operates.The first chapter provides a helpful guide to studying the law and advice on how to excel in assessments so that students can fulfil their potential. This chapter includes a sample problem question and model answer. Further sample problem and essay questions can be found at the end of chapters,giving readers an opportunity to test their understanding and practise for assessments. Students will be able to find indicative answers to these questions hosted with the online resources for this book.At the end of each chapter the authors provide further reading suggestions to guide students that want to deepen their knowledge, including well-maintained and trusted websites, Twitter feeds, and YouTube channels in addition to suitable books and articles.Online resourcesThis book is accompanied by a suite of online resources to support students' learning, including flashcard cases, self-test questions and answers with feedback, and additional material on legislation.

Focusing primarily on the exclusion of the Chinese, Lucy Salyer analyzes the popular and legal debates surrounding immigration law and its enforcement during the height of nativist sentiment in the early twentieth century. She argues that the struggles between Chinese immigrants, U.S. government officials, and the lower federal courts that took place around the turn of the century established fundamental principles that continue to dominate immigration law today and make it unique among branches of American law. By establishing the centrality of the Chinese to immigration policy, Salyer also integrates the history of Asian immigrants on the West Coast with that of European immigrants in the East. Salyer demonstrates that Chinese immigrants and Chinese Americans mounted sophisticated and often-successful legal challenges to the enforcement of exclusionary immigration policies. Ironically, their persistent litigation contributed to the development of legal doctrines that gave the Bureau of Immigration increasing power to counteract resistance. Indeed, by 1924, immigration law had begun to diverge from constitutional norms, and the Bureau of Immigration had emerged as an exceptionally powerful organization, free from many of the constraints imposed upon other government agencies.

The bestselling textbook in this subject area, Introduction to Business Law introduces students to the core legal areas relevant to the world of business and work. Known for its visual approach and engaging writing style, the book features over 90 full colour diagrams to illustrate complex issues, while practical examples and case studies are included throughout to put the law into context. The book contains a chapter on study skills and revision, guiding business students on how to tackle legal exam questions and how to approach case law and statutes. At the end of each chapter students can practise applying their knowledge and legal skills by answering sample essay and problem questions. Further guidance on these can be found on the Online Resource Centre, which features resources for students and lecturers: Student resources - Multiple choice questions with instant feedback - Suggested answers to end-of-chapter questions - Flashcard glossary of key terms - Exam tips and advice - Chapter summary documents Lecturer resources - Additional assignment questions - Group exercises - PowerPoint slides for each chapter - Research exercises

There's nothing more frustrating than playing a game without knowing all the rules. Lawyer and diversity consultant Sharon E. Jones can attest to this in her professional life. As a woman of color, she has spent her entire career navigating the conscious and unconscious biases of her supervisors and peers. Jones demystifies ten unwritten "rules of the game" and provides strategies to help women and other diverse professionals succeed. Jones discussesthe current trends in diversity in the workplace,the importance of visualizing your goals before you even begin,the value emotional tenacity will have as you encounter challenging situations,the need to identify the metrics for success,the difference good sponsorship can make for your career,the ways your professional appearance alters others' opinions of you,the importance of self-promoting and advertising your strengths, andmore rules and techniques to help you build your vision of personal and professional success.Jones has discovered that these lessons can apply to every type of organization and industry. She understands that women and people of color need to work twice as hard just to get rewarded, and she wants to help you overcome the challenges you may face in your workplace.

Discover the business law and legal environment book you'll actually enjoy reading. Time after time, readers like you have commented that this is the most interesting introduction to law they've ever read. Beatty/Samuelson/Abril's BUSINESS LAW AND THE LEGAL ENVIRONMENT, STANDARD EDITION, 9E is packed with current examples and real scenarios that bring law to life, whether you are a business learner or practicing professional. This reader-friendly, thorough presentation uses conversational writing to explain complex topics in easy-to-understand language. The authors draw from their experience practicing law to offer real stories that illustrate how legal concepts apply to everyday business practice. This edition also emphasizes today's digital landscape with new information on privacy and intellectual property. An updated ethics chapter offers a practical approach, using the latest research to explain why people make unethical decisions. In addition, an in-depth discussion of executive compensation contrasts theory with everyday reality. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Law for Business and Personal Use 15E maintains a fundamental emphasis on business law, while introducing personal law topics that interest students. Give your students the most comprehensive coverage of contracts, ethics, employment law, credit, banking, partnerships, bankruptcy, and more!

The New York Times Bestseller! "An absolute page turner. I'm Not Dying with You Tonight is a compelling and powerful novel that is sure to make an impact. " —Angie Thomas, New York Times bestselling author of The Hate U Give An NAACP Image Award Nominee, I'm Not Dying with You Tonight follows two teen girls—one black, one white—who have to confront their own assumptions about racial inequality as they rely on each other to get through the violent race riot that has set their city on fire with civil unrest. Lena has her killer style, her awesome boyfriend, and a plan. She knows she's going to make it big. Campbell, on the other hand, is just trying to keep her head down and get through the year at her new school. When both girls attend the Friday-night football game, what neither expects is for everything to descend into sudden mass chaos. Chaos born from violence and hate. Chaos that unexpectedly throws them together. They aren't friends. They hardly understand the other's point of view. But none of that matters when the city is up in flames, and they only have each other to rely on if they're going to survive the night. This book is perfect for: Sparking conversations about prejudice and the racial tension that exists in America Parents and educators looking for multicultural and African American books for teens Fans of Nic Stone, Angie Thomas, and Jason Reynolds Additional Praise for I'm Not Dying with You Tonight: "A vital addition to the YA race relations canon." —Nic Stone, New York Times bestselling author of Dear Martin "An astounding achievement. This novel is an incendiary experience, one that does not shy away from difficult questions about privilege and violence. But Jones and Segal don't hold our hands to provide us easy answers; this is a book meant to be devoured in a single sitting and discussed for years to come." —Mark Oshiro, author of Anger is a Gift "I'm Not Dying With You Tonight is a powerful examination of privilege, and how friends are often found in surprising places. Jones and Segal have penned a page-turning debut, as timely as it is addictive." —David Arnold, New York Times bestselling author of Mosquitoland and Kids of Appetite

The Business Law Concentrate is written and designed to help you succeed. Written by experts and covering all key topics, Concentrate guides help focus your revision and maximise your exam performance. Each guide includes revision tips, advice on how to achieve extra marks, and a thorough and focused breakdown of the key topics and cases. Revision guides you can rely on: trusted by lecturers, loved by students... I have always used OUP revision and Q&A books and genuinely believe they have helped me get better grades" - Anthony Poole, law student, Swansea University "The detail in this revision textbook is phenomenal and is just what is needed to push your exam preparation to the next level!" - Stephanie Lomas, law student, University of Central Lancashire "It is a little more in-depth than other revision guides, and also has clear diagrams and teaches ways to obtain extra marks. These features make it unique!" - Godwin Tan, law student, University College London "The concentrate revision guides stand out against other revision guides" - Renae Haynes Williams, law student, Bangor University "The exam style questions are brilliant and the series is very detailed, prepares you well" - Frances Easton, law student, University of Birmingham "The accompanying website for Concentrate is the most impressive I've come across" - Alice Munnelly, law student, Kings College London "It is a fantastic book. It covers absolutely all topics you need for the course." - Emma McGeorge, law student, Strathclyde University
