Macroeconomics, 7th Edition | N. Gregory Mankiw

Essentials of Economics 3/e, is an abridged version of John Sloman's main text, Economics 5/e. Some passages have been directly transcribed, while others have been extensively rewritten in order to provide a consistent coverage of only the core principles of economics and their applications. The book is about half the length of the parent text.

"For intermediate courses in economics." A Unified View of the Latest Macroeconomic Events In " Macroeconomics, " Blanchard presents a unified, global view of macroeconomics, enabling readers to see the connections between goods, financial markets, and labor markets worldwide. Organized into two parts, the text contains a core section that focuses on short-, medium-, and long-run markets and three major extensions that offer more in-depth coverage of the issues at hand. From the major economic crisis and monetary policy in the United States, to the problems of the Euro area and growth in China, the text helps readers make sense not only of current macroeconomic events but also of events that may unfold in the future. Integrated, detailed boxes in the Seventh Edition have been updated to convey the life of macroeconomics today; reinforce lessons from the models; and help readers employ and develop their analytical and evaluative skills. Also Available with MyEconLab (r) MyEconLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. Note: You are purchasing a standalone product; MyEconLab does not come packaged with this content. Students, if interested in purchasing this title with MyEconLab, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. If you would like to purchase both the physical text and MyEconLab, search for: 0134472543 / 9780134472546 "Macroeconomics Plus MyEconLab with Pearson eText -- Access Card Package" Package consists of: 0133780589 / 9780133780581 " Macroeconomics" 0133860930 / 9780133860931" MyEconLab with Pearson eText -- Access Card -- for Macroeconomics" "

For intermediate courses in economics. In Macroeconomics, Blanchard presents an integrated, global view of macroeconomics, enabling students to see the connections between goods markets, financial markets, and labor markets worldwide. A unified view of the latest macroeconomic events In Macroeconomics, Blanchard presents an integrated, global view of macroeconomics, enabling students to see the connections between goods markets, financial markets, and labor markets worldwide. Organized into two parts, the text contains a core section that focuses on short-, medium-, and long-run markets and two major extensions that offer more in-depth coverage of the issues at hand. From the major economic crisis that engulfed the world in the late 2000s, to monetary policy in the US, to the problems of the Euro area, and growth in China, the text helps students make sense not only of current macroeconomic events but also of those that may unfold in the future. Integrated, detailed boxes in the 8th Edition have been updated to convey the life of macroeconomics today, reinforce lessons from the models, and help students employ and develop their analytical and evaluative skills.

The 4th Edition of Robert Sexton's EXPLORING MACROECONOMICS is now available in a modular format. The 4th Edition offers the macroeconomics content in 5 modules in other words, it costs less than a traditional macroeconomics text. Buy a product that provides more value for your dollar! You no longer have to buy the same material twice your instructor will not get through during the term. You are no longer paying for unused material -- and no longer carrying a heavy text!

With its clear and engaging writing style, BRIEF PRINCIPLES OF MACROECONOMICS, Seventh Edition, continues to be one of the most popular books on economics available today. Mankiw emphasizes material that you are likely to find interesting about the economy (particularly if you are studying economics for the first time), including real-life scenarios, useful facts, and the many ways economic concepts play a role in the decisions you make every day. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This volume gives comprehensive coverage of the key topics of macroeconomics and it includes integration of classical and Keynesian approaches, in-depth coverage of two cases and extensive applications and examples.

Now readers can master the principles of macroeconomics with the help of the most popular introductory book in economics today that is widely used around the world -- Mankiw ' s BRIEF PRINCIPLES OF MACROECONOMICS, 8E. With its clear and engaging writing style, this book emphasizes only the material that readers are likely to find most interesting about the economy, particularly if they are studying economics for the very first time. Reader discover interesting coverage of the latest relevant macroeconomic developments with real-life scenarios, useful economic facts, and clear explanations of the many ways macroeconomic concepts play a role in the decisions that individuals make every day. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

For courses in Introduction to Agricultural or Applied Economics Introduction to Agricultural Economics, Sixth Edition, provides students with a systematic introduction to the basic economic concepts and issues impacting the U.S. food and fiber industry and offers strong coverage of macroeconomic theory and international trade. The Teaching and Learning Package includes an Instructor's Manual and PowerPoint slides. Teaching and Learning Experience: Strong coverage of macroeconomics, the role of government, and international agricultural trade: The coverage of macroeconomics and agricultural programs and policies allows students to further understand the domestic market economy. Building block approach: Discusses individual consumer and producer decision-making, market equilibrium and economic welfare conditions, government intervention in agriculture, macroeconomic policy, and international trade. Extensive chapter review: Each chapter contains an extensive list of questions designed to test student comprehension of the material covered.

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Learn economics through real business examples. Hubbard/O'Brien explains the basics of economics by demonstrating how real businesses use economics to make real decisions everyday. This is something all readers can connect to, as they encounter businesses in their daily lives. And regardless of future career path—opening an art studio, doing social work, trading on Wall Street, working for the government, or bartending at the local pub—readers will benefit from understanding the economic forces behind their work.
