I once referred to Madeline as the Charlie Sheen of the literary world, but I stand corrected; Madeline Sheehan is the Pablo Escobar of the literary world and her readers are the Charlie Sheens, she gets her readers addicted and leaves us craving for more.

Madeline Sheehan took two very damaged and hardened souls and created something beautiful which is why I absolutely love her writing style. The book is told as a flashback as Preacher lays dying in the hospital. He is finally telling his story to his beloved daughter Eva. But everything I thought I knew about Preacher and Debbie was wrong!

Warning: This is not a typical, sappy love story. This is an all-consuming, soul-crushing, tear-your-heart-into-pieces story. It's intense, gritty and raw, dark and disturbing, and it doesn't happen overnight. This is an epic love story that knows no boundaries and has no time limits. It grows and develops—with hurt, sacrifice, and heartache—over the span of a lifetime. Eva Fox is the princess of the Silver Demons Motorcycle Club. Growing up with bikers in the club lifestyle is all that she knows. When she's a young girl, Eva meets the reason for her existence. Deuce West is the sexy, biker bad-ass of the Hell's Horsemen Motorcycle Club. Like Eva, he was born and raised in the club—but that's where the similarities end. Their first meeting is innocent, but as Eva matures into a woman, their chance reunions evolve into a fit of lust and love. Fate continues to bring them together time and time again, but their twisted journey is filled with pain, betrayal, and bloodshed that could tear them apart. Eva sees in Deuce what he cannot see in himself—a man worthy of love—and Eva spends her lifetime proving to him that her undeniable love is the one thing he can't live without. This is Eva and Deuce's story. It wasn't easy. Nothing

A Holy Trinity Novella. Tahyra Petros tried desperately to save herself and her sister. Instead, she ended up forever changed. Shandor Asenov battled with death and lost who he had been. During a valiant attempt to rescue his friends, Hockey Sava vanished. Carrie Andrews's brother died during a violent struggle for survival, leaving her stranded and alone. And Marko Siwak had disappeared in the middle of the night. He was never heard from again. These are the stories of the lost-their journeys through a world where devastation knows no boundaries, where enemies await them at every turn, and where heartache, loss, and death supersede happiness, peace, and love-and the destiny that awaits them all.

Warning: This is not a story about fate or destiny. This is a story about pain, sorrow, and suffering. This is an impulsive whirlwind romance between two lovers that are not meant to be together. Theirs is not a world with sunshine and roses. Instead, their love blossoms in a secret world full of crime, violence, and death. Their story is about what can be born from nightmares. Danielle "Danny" West is the daughter of Deuce West, President of the Hell's Horsemen Motorcycle Club. A sweet and beautiful girl, she loses her way, searching for things that are always out of her reach. Erik "Ripper" Jacobs is the Sergeant at Arms in the Hell's Horsemen. Once a man who always had a smile on his face, his life takes a turn for the worst when a tragedy befalls him, leaving him scarred and broken. During a midsummer night, Danny and Ripper's paths cross, forever changing their lives. Hastily, their lust turns to love until another tragedy forces them apart. On a journey that is marred with ugliness and chaos, Danny and Ripper must discover if their unforeseen connection can find the beauty in their world. This is Danny and Ripper's story. Everything has beauty. Even the ugly. Especially the ugly. Because without ugly, there would be no beauty.

The second book in the Holy Trinity. When Trinity escaped a worldwide apocalyptic plague in the arms of Gerik, a Scandinavian Gypsy, she never imagined they would be soul mates . . . or what that even meant. Xan showed Trinity that love could save her from the seemingly unbreakable ties she had to Gerik. . . or so she thought. After a brutal attack on camp and being abandoned outside of the wards, Trinity, now possessing her own-and very unstable-magical powers, is left to her own devices, surrounded by Skin Eaters and all other dangers of the unknown. Now, Trinity is alone. Having no idea where her husband, her soul mate, or the Popa Clan are, Trinity is forced to discover her powers on her own. On a journey full of self-discovery, chance encounters, unwelcome news, and enlightenment, Trinity is fighting for survival in a world where the only thing certain is death.

It is the end of the world. They call him Eagle, like the grand and beautiful bird that symbolizes freedom. During these dark times, when humanity is experiencing nothing but suffering, a man with such a powerful name should be a beacon of hope, yet he is anything but. Her name is Autumn, but she hasn't said this name or much of anything else in the four years since the fall of civilization. A shell of her former self, living wild in a cave at the bottom of a ravine, Autumn is accustomed to being alone. She prefers it, actually, especially when her only options for company either try to kill her, or worse, to lock her up inside their walls. Captured by Eagle's people, Autumn is suddenly thrust back into the land of the living, but she would hardly call it living. The community of Purgatory is full of sinners, the most evil of whom seem to have set their sights on her. In an act born of anger and defiance, Eagle becomes Autumn's unexpected savior, forcing these two solitary people into each other's broken worlds. Neither knows quite what to make of the other, but one thing is certain. To survive Purgatory, they must learn how to rely on each other, a feat that could possibly teach them both how to live again

"A bold and subversive retelling of the goddess's story," this #1 New York Times bestseller is "both epic and intimate in its scope, recasting the most infamous female figure from the Odyssey as a hero in her own right" (Alexandra Alter, The New York Times). In the house of Helios, god of the sun and mightiest of the Titans, a daughter is born. But Circe is a strange child -- not powerful, like her father, nor viciously alluring like her mother. Turning to the world of mortals for companionship, she discovers that she does possess power -- the power of witchcraft, which can transform rivals into monsters and menace the gods themselves. Threatened, Zeus banishes her to a deserted island, where she hones her occult craft, tames wild beasts and crosses paths with many of the most famous figures in all of mythology, including the Minotaur, Daedalus and his doomed son Icarus, the murderous Medea, and, of course, wily Odysseus. But there is danger, too, for a woman who stands alone, and Circe unwittingly draws the wrath of both men and gods, ultimately finding herself pitted against one of the most terrifying and vengeful of the Olympians. To protect what she loves most, Circe must summon all her strength and choose, once and for all, whether she belongs with the gods she is born from, or the mortals she has come to love. With unforgettably vivid characters, mesmerizing language, and page-turning suspense, Circe is a triumph of storytelling, an intoxicating epic of family rivalry, palace intrigue, love and loss, as well as a celebration of indomitable female strength in a man's world. #1 New York Times Bestseller -- named one of the Best Books of the Year by NPR, the Washington Post, People, Time, Amazon, Entertainment Weekly, Bustle, Newsweek, the A.V. A powerful, poetic memoir of an Indigenous woman's coming of age on the Seabird Island Band in the Pacific Northwest—this New York Times bestseller and Emma Watson Book Club pick is “an illuminating account of grief, abuse and the complex nature of the Native experience . . . at once raw and achingly beautiful (NPR). Having survived a profoundly dysfunctional upbringing only to find herself hospitalized and facing a dual diagnosis of post traumatic stress disorder and bipolar II disorder, Terese Marie Mailhot is given a notebook and begins to write her way out of trauma. The triumphant result is Heart Berries, a memorial for Mailhot's mother, a social worker and activist who had a thing for prisoners; a story of reconciliation with her father?an abusive drunk and a brilliant artist?who was murdered under mysterious circumstances; and an elegy on how difficult it is to love someone while dragging the long shadows of shame. Mailhot trusts the reader to understand that memory isn't exact, but melded to imagination, pain, and what we can bring ourselves to accept. Her unique and at times unsettling voice graphically illustrates her mental state. As she writes, she discovers her own true voice, seizes control of her story, and, in so doing, reestablishes her connection to her family, to her people, and to her place in the world.
