It is best to set the rotisserie up before lighting your barbecue. Just attach your meat to the long skewer, position over the coals and plug in. The rotisserie will turn automatically at the perfect speed. As the meat rotates, it is automatically basted in its own juices, which gives a beautifully tender, moist result.

Old-House Journal is the original magazine devoted to restoring and preserving old houses. For more than 35 years, our mission has been to help old-house owners repair, restore, update, and decorate buildings of every age and architectural style. Each issue explores hands-on restoration techniques, practical architectural guidelines, historical overviews, and homeowner stories--all in a trusted, authoritative voice.
