Maintenance Jasper L. Coetzee Google Books

Maintenance is surely one of the oldest disciplines known to man. However, the maintenance subject area was until relatively recently thought of as being very basic, needing only the most basic knowledge. Most industrial organizations to some or other extent considered the maintenance department to be a necessary but costly luxury.

Maintenance by Jasper Coetzee (9781412023627)

Maintenance | Failure is one of the unfortunate facts of life. Whenever man produces equipment or tools to increase his own productivity, he also has to deal with this unwanted side effect. And, although much effort is applied towards improving the reliability of machinery, the ever-increasing sophistication and complexity of these modern technological wonders gives rise to maintenance being ...
