For the leader, the book directs itself toward how teams can be designed to optimal performance. For team members, the book focuses on the skills needed to be an important and productive member of the team. Focus on the Big Picture. Making the Team shows students the big picture by demonstrating how the team fits into the larger organization. Equipping managers for the long term, this text also highlights developments and trends that may affect how managers structure their teams in the future.

Making the Team, 5th Edition - Pearson

Synopsis. This text provides a good balance of theory and practice. It combines cutting-edge research on groups with practical management principles. The text is organized into 3 primary tasks for the leader/manager: 1) Accurately assessing and improving team performance; 2) Managing the internal dynamics of teams (diversity, conflict, and creativity); and 3) Optimally leveraging the team within the larger organization.
