A strategic plan needs to be adaptive to survive changing or unanticipated conditions. An organization that develops and executes a strategic plan gains significantly from the experience, and starting with a working model and then building a tangible plan can be more successful for your organization than having no plan at all. Over the life of your strategic plan, you may discover that some of ...

A lot of young people are forced to work with me, it'll be part of their child protection plan. There are two of us that are youth workers in the team, and we work with around about 15 young people each at any one given time. Aged between 10 to 18, who are extreme high risk of, or currently experiencing, child sexual exploitation. So for that reason, they tend to be on child protection plans ...
