 Stubbington (Hampshire) manorial records (David Postles, Leicester University) Material mainly relating to the estate of Southwick Priory at Stubbington, 13th to 16th centuries, with some records of land in Portsea and Portsmouth. Court Rolls of the Manor of Wakefield, 1274-1297 (Internet Medieval Sourcebook, Fordham University)

Medieval source material on the internet: Manorial records
 Manorial records include court rolls, surveys, maps, terriers and all other documents relating to the boundaries, franchises, wastes, customs or courts of a manor.

Manorial documents - Kresen Kernow
 The core of this book is a set of images from old documents, with notes, followed by transcripts and translations of them. This is preceded by general background information on manorial records and some short exercises, and followed by a short dictionary of Latin words, an Appendix of Latin grammar, a page with examples of how letters were written, and examples of abbreviated forms of words.

Manorial Records: Amazon.co.uk: Stuart, Denis ...
 The court baron was the principal type of manorial court. It administered the customs of the manor and dealt with any offences against it. It also recorded the surrender and admission to copyhold land, held of the manor.

Types of manorial record - The University of Nottingham
 Manorial documents are among the few types of records where genealogical information about ordinary people - rather than the upper classes - is likely to survive from medieval times. Within the manor, land could be held in several ways.

Manorial documents - medievalgenealogy.org.uk
 Historians are also agreed that the Normans institutionalized the Manorial System in Domesday Book, compiled for William the Conqueror in 1086 and listing 13,418 Manors and their owners. It was an inventory of the wealth of the new kingdom and a 'list' of the principal landowners.

Purchase title - Manorial Society
 Manorial records provide more information about community interests and the lives of ordinary people from the 13th-16th centuries than any other contemporary source. Special Collections holds a significant number of manorial documents. While not an exhaustive list, they can be found in the following collections:

Manorial Documents | Special Collections | Library ...
 Manorial Records Manorial documents were produced in the administration of medieval manors, landed estates that involved certain rights and obligations. These documents begin to appear during the...

Manorial Records - Staffordshire County Council
 Introducing Manorial Records: Unlocking the Mysteries of the Manor for Family Historians By Ian H Waller. Subtitled 'Unlocking the Mysteries of the Manor for Family Historians', Introducing Manorial Records really does do this - making the intriguing, but perhaps daunting, topic of manorial records suddenly seem a lot more comprehensible. There are chapters on using and finding manorial ...

Bestselling family history books to buy this Christmas ...
 Manorial records are scattered around the country or may even still be in the hands of the current estate owners. The Manorial Documents Register was created in 1924 to help researchers locate the whereabouts of relevant material. Digitised entries for most counties can be searched on The National Archives' website.

 The Manorial Documents Register, at the National Archives, is a record of the location of all known surviving manorial records. Most of England and Wales is now covered by the online index, which...

Surrey County Council - Manorial records
 Manorial Records The manorial records held by the Library, are mainly to be found with the estate records and listed with them, but are also indexed separately via the Manorial Documents Register hosted by The National Archives in Kew. They are most comprehensive for Montgomeryshire (mainly with the Powis Castle and Wynnstay estate records).

Manorial Records | The National Library of Wales
 Manorial records can be used to study many subjects, but are often underused. Early records are usually in Latin, but will be in English from 1733 onwards and, apart from some technical vocabulary, should be as accessible as any other records of a similar date.

Manorial records are an important source of information for the local or family historian, but this is the first, full-length modern manual to offer a structured and comprehensive guide to their use.

Manorial records are a valuable source of information: this guide aims to make them more accessible to amateur researchers. It covers the types of information they contain and advises on how to locate manorial records using the Manorial Documents Register. A section at the end of the book deals specifically with the manorial records in the Public Record Office and how to use the available finding aids. The records covered date from 1500 to 1900.

The first full-length modern manual to offer a structured and comprehensive guide to the use of manorial records, this book is aimed at students of local history and genealogists wishing to improve their research skills and extend their ability to handle medieval documents. It explains the nature and Latin vocabulary of manorial court rolls, rentals and extents, accounts, and customals; gives guidance and practice in the translation of transcribed documents, with and without abbreviations; and provides more than 30 reproductions of actual manuscript documents in a variety of hands, from the mid-12th to the 18th centuries. Full answers to all exercises are given, together with a glossary of all the words normally found in manorial records. It also includes lists of declensions and conjugations and further palaeographic aids. The manor was for centuries the main unit of local government and virtually the only source of written local records. Once the local or family historian has taken his researches back beyond the mid-16th century, manorial records must be the greatest hope for information, while as late as the 18th century they can continue to provide a major source of evidence for those able to transcribe and, if necessary, translate them. In the compilation of this important and long-needed guide, the author has drawn on more than 30 years' experience in teaching Latin for local history and of research into manorial records. It breaks new ground and fills the last great gap that remained in the record user's armory of practical guides to the whereabouts and use of historical source material.

Excerpt from The Manor and Manorial Records The lord of the manor, however, even at the present day, is a real factor in local life. Parish and district councils, in questions constantly arising touching village greens, recreation grounds, commons and rights of way, find that they have to reckon with him in the exercise of their newly acquired powers, and have to adjust their Claims in accordance with the Old manorial rights enjoyed by him and his predecessors for centuries. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. We have represented this book in the same form as it was first published. Hence any marks seen are left intentionally to preserve its true nature.

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work.As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.
