BSAVA Manual of Canine and Feline Radiography and Radiology. Confident radiographic interpretation presents a considerable challenge and this manual provides a comprehensive review of the approach to radiological interpretation, the range of variants and the key fundamental principles and their application to common diseases.

BSAVA Manual of Canine and Feline Radiography and ...

The Manual of Canine and Feline Cardiology was an eminently readable overview of the field of veterinary cardiology. However, it left me wanting a more in-depth coverage of disease types and etiologies, and for this I had to go to an older, but even more thorough text by Kittleson and Kienle, Small Animal Cardiovascular Medicine.
