part of your methodology. This book gives you the world-class insight you need to make it happen. Discover the new rules of marketing Stand out and create WOW moments Build a loyal and vocal customer base Learn who will shape the future of customer choice Every few years brings a "new" marketing movement, but experienced marketers know that this time its different; it's not just the rules that have changed, it's the customers themselves. Marketing 4.0 provides a solid framework based on a real-world vision of the consumer as they are today, and as they will be tomorrow. Marketing 4.0 gives you the edge you need to reach them more effectively than ever before.

Rediscover the fundamentals of marketing from the best in the business In Marketing 5.0, the celebrated promoter of the "Four P's of Marketing," Philip Kotler, explains how marketers can use technology to address customers' needs and make a difference in the world. In a new age when marketers are struggling with the digital transformation of business and the changing behavior of customers, this book provides marketers with a way to integrate technological and business model evolution with the dramatic shifts in consumer behavior that have happened in the last decade. Following the pattern presented in his bestselling Marketing X.0 series, Philip Kotler covers the crucial topics necessary to understand modern marketing, including: · Artificial Intelligence for marketing automation · Agile marketing · "Segments of one" marketing · Contextual technology · Facial recognition and voice tech for marketing · The future of Customer Experience (CX) · Transmedia storytelling · The "Whatever-Whenever-Wherever" service delivery · "Everything-As-A-Service" business model · Internet of Things and blockchain for marketing · Virtual and augmented reality marketing · Corporate activism Perfect for traditional and digital marketers, as well as students and teachers of marketing and business, Marketing 5.0 reinvigorates the field of marketing with actionable recommendations and unique insights.

Understand the next level of marketing The new model for marketing-Marketing 3.0-treats customers not as mere consumers but as the complex, multi-dimensional human beings that they are. Customers, in turn, are choosing companies and products that satisfy deeper needs for participation, creativity, community, and idealism. In Marketing 3.0, world-leading marketing guru Philip Kotler explains why the future of marketing lies in creating products, services, and company cultures that inspire, include, and reflect the values of target customers. Explains the future of marketing, along with why most marketers are stuck in the past Examines companies that are ahead of the curve, such as S. C. Johnson Kotler is one of the most highly recognized marketing gurus, famous for his "4 P's of Marketing" In an age of highly aware customers, companies must demonstrate their relevance to customers at the level of basic values. Marketing 3.0 is the unmatched guide to getting out front of this new tide sweeping through the nature of marketing.

It is an essential guide for any marketer to build an effective and practical digital strategy.

Publishers Weekly says "Ramnarayan provides a detailed, contemporary primer that illuminates the promise and peril of the brave new world of social media. Ramnarayan herself acknowledges that social media is no panacea-her crisp presentation, with chapter summaries to highlight the main pointers, confirms that companies that choose not to listen to customers stand to lose ground to competitors who do." WHAT OTHERS ARE SAYING ABOUT THE BOOK "Sujata Ramnarayan's excellent book does several things that I have not seen in other treatments of this subject. She takes a reasoned perspective on a topic that is often full of hyperbole. The book is filled with advice for the marketer that is both practical and strategic. It helps the marketer to leverage social media where it can best impact business performance. I highly recommend the book." - Gordon Wyner, Editor-In-Chief, Marketing Management "This practical guide to social media marketing cuts through the noise with clear advice on how to turn strategy into practice. With the help of effective charts and analysis, the reader can gain real insight into social media's influence in corporate marketing. By showing how building quality content in social media is no longer an option for corporations, this is also a lesson in building a brand by listening to your customers." -Rajesh Subramaniam, SVP, Global Marketing and Customer Experience, FedEx Services "Owned social media presence is critical to generating earned media, which is where the growing value and rewards come in for social media marketing. This important book will help you to understand these concepts and reality to better evaluate, plan, and execute your social media marketing efforts." - Devin Redmond, CEO and Co-Founder, SocialiQ Networks "Are you overwhelmed by the changing digital landscape? If so, Sujata's book is a must read with actionable insights, tips on digital sharing, and more." -Porter Gale, Former VP of Marketing at Virgin America and author of "Your Network is Your Net Worth" ABOUT THE BOOK Like most marketers, you are drowning in social media noise and chaos. Businesses have simply jumped in without

tying social media outcomes to any business objectives. The purpose of this book is to help you: - See how social media fits into your overall marketing strategy - Understand how best to develop social media with allocation among different tools - Figure out the extent to which social media is relevant to your business or department, and how best to implement it given an increasingly digital world of sharing and an empowered customer voice Whether you are a senior manager experienced in social media marketing or a novice, this book will help clarify how social media fits into your overall marketing strategy, how much you should be allocating given the return on investment, and at what time frame you should be looking, depending on the specific metrics adopted. This book will help you focus more and understand all the different elements to which you need to be paying attention. If you are a novice, the glossary and additional resources sections at the end of the book should be helpful.

You are probably interested in this book because you are a creative entrepreneur and want advice on how to market yourself, your business and your product or service. If so, you are in the right place! The book has two goals: The first is to give business owners an overview of their digital marketing possibilities. We will help you decide where you can best spend your marketing efforts. The second is to make sure you walk away with two or three excellent ideas you can put into action the next day. We discuss many different digital marketing tools, from email and social media to online forums and SEO. We'll help you decide which tool has the best possibilities for your business. Every chapter ends with a worksheet where you will be guided through a brainstorming session on how to apply a digital marketing tool to your business. Ready to connect with your customers and grow your business? Good - let's get started!
