Marketing Management - Introduction Notes - BBA|mantra

Sales-management differs from other fields of management, mainly in different aspects: the selling operation of a business firm does not exist in isolation. Thus, simultaneous with the changes taking place in the business, as well as marketing-orientation, anew concept of sales management has evolved. The business, is now society-oriented, on

SALES MANAGEMENT: AN OVERVIEW

Marketing management takes place when at least one party to a potential exchange thinks about the means of achieving desired responses from other parties. We see marketing management as the art and science of choosing target markets and getting, keeping, and growing customers through creating, delivering and communicating superior customer value. 4.

We additionally give variant types and

Pañcāstikāya-samgraha or Pañcāstikāya-sāra (known briefly as Pañcāstikāya and spelled commonly as Panchastikay) is one of the four most important and popular works of Ācārya Kundakunda (circa first century B.C.), the other three being Samayasāra, Pravacanasāra and Niyamasāra. The original text is in Prakrit language and contains a total of 173 verses (gāthā). Pañcāstikāya means "five-substances-with-bodily-existence" and these are: the soul (jīva), the physical-matter (pudgala), the medium-of-motion (dharma), the medium-of-rest (adharmā), and the space (ākāśa). These five substances collectively constitute the universe-space (loka). Outside this universe-space (loka) is the infinite non-universe-space (aloka), comprising just the pure space (ākāśa). The substance-of-time (kāla dravya) which renders assistance to all substances in their continuity of being through gradual changes is not an "astikāya" since it occupies a single space-point and, therefore, does not possess the characteristic of body (kāya). Pañcāstikāya-samgraha expounds the Jaina metaphysics - the philosophy of being and knowing - including the nature of the pure soul-substance (jīvāstikāya) which is integral to the seven realities (tattva), the nine objects (padārtha), and the six substances (dravya). While the substance (dravya) never leaves its essential character of existence (sattā), it undergoes origination (utpāda), destruction (vyaya) and permanence (dhrauvya). There is inseparable association between the qualities (guṇa) and the substance (dravya). The discussion relies on the "doctrine of conditional predication" (syādvāda) and the
