This book describes the issues and considerations involved in teaching martial arts to change lives.

After graduating from The Young Lions program, Judd Reid set his heart on traveling the world, teaching what he learned during his 1,000 days of training in Japan. As a personal student of the Sosai Mas Oyama, Judd knew it was his duty to carry on his legacy and share his wisdom. From Sweden to Thailand, Australia to the United States, and many countries in between, Judd explores the world. He bounces at a Tokyo nightclub, trains a Thai SWAT force, and later becomes heavyweight champion as well as undertaking the 100-man kumite. Through it all, his best friend Anton Cavka was there to share in the adventures and document it all, putting together an award-winning film, the 100-Man Fight. But Judd's world is turned upside down by an unexpected tragedy. Picking up the pieces, he finally finds peace and happiness, honoring Sosai Oyama's life's work while finally opening his own Kyokushin Karate dojo. If you liked Judd Reid's first book, The Young Lions, The Ronin Year is a must-read!
