this is a good spell the mask of the Hunter and the stalker but if you a druid you only need one of them not both found out the hard way just cause had to have both spells but mask of the stalker does over ride mask of the hunter which really makes no sense to me if they are going to make the spell should have just left it to one and not 2 just leave it for ranger and druid and call it good this shows sony with their head in their forth point of contact again. just need one not both.
