Handy DOS and Windows command reference are included as appendices.

Server+ is one of the newest certifications from CompTIA, the sponsor of such vendor-neutral IT certifications as A+ and Network+. Server+ is positioned alongside Network+ as a follow-up to A+ certification. The Server+ exam focuses on network hardware while the Network+ exam focuses on network software. The Server+ exam certifies the knowledge of mid- to upper-level technicians with 18-24 months of strong IT experience using hardware functionality, including server installation, troubleshooting, support, and second level support.

This book is targeted to all levels of Outlook users, with special coverage for intermediate to experienced users who want to learn how to use VBA and VBScript to build custom Outlook applications and use features such as tracking tools, boosted data capabilities, and more. CD contains great Outlook 2000 productivity software.

This book explores a wide range of emerging cultural, heritage, and other tourism issues that will shape the future of hospitality and tourism research and practice in the digital and innovation era. It offers stimulating new perspectives in the fields of tourism, travel, hospitality, culture and heritage, leisure, and sports within the context of a knowledge society and smart economy. A central theme is the need to adopt a more holistic approach to tourism development that is aligned with principles of sustainability; at the same time, the book critically reassesses the common emphasis on innovation as a tool for growth-led and market-oriented development. In turn, fresh approaches to innovation practices underpinned by ethics and sustainability are encouraged, and opportunities for the exploration of new research avenues and projects on innovation in tourism are highlighted. Based on the proceedings of the Sixth International Conference of the International Association of Cultural and Digital Tourism (IACuDiT) and edited in collaboration with IACuDiT, the book will appeal to a broad readership encompassing academia, industry, government, and other organizations.
