Maternal Care: A learning programme for professionals

In "Maternal Encounters", Lisa Baraitser takes up this question through the analysis of a series of maternal anecdotes, charting key destabilizing moments in the life of just one mother, and using these to discuss many questions that have remained resistant to theoretical analysis - the possibility for a specific feminine-maternal subjectivity, relationality and reciprocity, ethics and otherness. Working across contemporary philosophies of feminist ethics, as well as psychoanalysis and social ...

Michael Rutter (1972) wrote a book called Maternal Deprivation Re-assessed. In the book, he suggested that Bowlby may have oversimplified the concept of maternal deprivation. Bowlby used the term 'maternal deprivation' to refer to separation from an attached figure, loss of an attached figure and failure to develop an attachment to any figure.
