The digital elements of the course enliven the material and allow teachers to vary the pace and focus of their lessons.Solutions turns all students into active learners, by offering a rich variety of learning opportunities for a whole range of abilities through extension and revision activities in all components - giving everyone a sense of achievement whatever their level.The Solutions 2nd Edition Workbook supports the Student's Book content with plenty of extra practice and revision.

The Workbook offers plenty of extra practice, revision, and reviews. Mirroring the Student's Book content, with the same clear structure, it provides extra reading and writing practice opportunities for both weaker and stronger students. The Writing Bank at the back of the book gives a quick guide to text types, with model structures and key language as well as exam strategies, plus a Functions Bank for functional phrases for speaking and writing. There is plenty of exam practice in the Get Ready for your Exam sections and these, along with the Self-Check pages after each unit and the review sections at the back of the books, allow students and their teachers to keep track of their progress as they work towards their exams.The accompanying Audio CD offers students a huge amount of listening practice. There are audio recordings for tasks in every lesson (not only for the Vocabulary & Listening lessons).

With Solutions iTools, teachers have exciting interactive whiteboard material which brings fresh stimulus to language lessons.

A five-level general English course for 14-19 year-olds, who are also preparing for the school-leaving exam.
