Home | Academy of Medical-Surgical Nurses (AMSN)

Medical-Surgical nursing or "med-surg" is one of the biggest nursing specialty. Many nurses are encouraged to start their illustrious career in med-surg. The primary reason med-surg is recommended is so nurses can get their skills "down" before moving to their desired area of choice. While we don't necessarily agree that all nurses need to start in med-surg, it is an excellent opportunity to learn, grow, and lay the foundations for a successful nursing career.

15 Best Tips For New Med Surg Nurses - Nurse Money Talk

The ANCC Medical-Surgical Nursing board certification examination is a competency based examination that provides a valid and reliable assessment of the entry-level clinical knowledge and skills of registered nurses in the medical-surgical specialty after initial RN licensure. Medical Surgical Nurse Practice Test (2020)

The Medical-Surgical Nursing Certification Board (MSNCB) administers the Certified Medical-Surgical Registered Nurse (CMSRN®) certification program. Certification is the recognized path for registered nurses to build and demonstrate commitment, confidence, and credibility. December 7, 2020:

Certification | Academy of Medical-Surgical Nurses (AMSN)

3. Use seasoned med/surg nurses to work in stepdown units. There is no reason a med/surg nurse can't work alongside a stepdown nurse in a team model; the med/surg nurse can take care of the basic nursing needs while the stepdown nurse can focus on managing the patient's more critical needs.

The team approach: Using alternative staffing and ...

It is the next step in a career-long process that assures medical-surgical patients of your commitment to promoting positive patient outcomes. Begin planning for recertification soon after you've earned your Certified Medical-Surgical Registered Nurse (CMSRN ®) credential. CMSRN certification is valid for 5 years.
