Media Mindfulness Educating Teens About Faith And Media PDF

Developing media literacy and media mindfulness skills is an educational and faith-formation imperative for the 21st century. If our teaching about God, the church, the human person and the world...

Lessons in media mindfulness | National Catholic Reporter

The four-part " media mindfulness " strategy gives educators, ministers, and mentors a framework and effective activities for engaging youth in thoughtful analysis of media and its influence on attitudes, behaviors, faith, and values.

Media Literacy/Media Mindfulness | Sister Rose's My Movies ...

In a faith context, we progress from media literacy to media mindfulness, using critical thinking skills and questioning the media to discern the values and ideologies of media messages and engage them with the values presented by Jesus. Media mindfulness helps kids, teens and grown-ups investigate culture, understand their world and make media choices consistent with their faith.

About Pauline Center for Media Studies

In 2007, Pacatte partnered with Gretchen Hailer, RSHM, to write Media Mindfulness: Educating Teens About Faith and Media (St. Mary ' s Press). In the view of the authors, " media mindfulness " adds a component to media literacy education which is essential to faith formation. Students not only use media
