Wallbanger (Audiobook) by Alice Clayton Men In Kilts Katie Macalister

Katie MacAlister's Men in Kilts is a romantic story that took me away to a sheep farm in the Highlands of Scotland. Kathie Williams is a mystery novelist who goes to England to attend a Mystery Writers conference. She is immediately drawn to a handsome and tall man she see's across the room.

So far, Kathie Williams has made a good showing as the only American at a mystery writers' conference in Manchester— what with that falling asleep in public thing behind her. The sight of Iain MacLaren wakes her up. Clad in a deliciously woolly sweater, the burly Scotsman seems to be holding up a wall at the cocktail party.
