Christianity is messy. Unanswered prayers. Painful choices. Unresolved regrets. We're called to have faith, and yet we doubt. We try to be

perfect, but we fall short. This is the chaos. It's all around us. There's no limit to it. And there's no quick fix for it. Both annoyingly honest and refreshingly humorous, Messy reassures Christians that God can reveal Himself in their clutter. Author and pastor A.J. Swoboda offers biblical insight and vivid, personal stories to redefine faith from something that must be perfect to something that is imperfect, but can still give beauty, meaning, and purpose to a messy life. As entertaining as it is challenging, this book teaches Christians what it means to trust in each other, in grace, in hope, and in a Savior who defied the rules of death. Here's to finding joy in your chaos!

"This is beautiful and brilliant stuff, profound and plain, incredibly human, wise and charming. I trusted and enjoyed every word." -Anne Lamott, New York Times bestselling author about *Looking for God in Messy Places* For any who feel frustrated and world-weary, and who want more than just wishful thinking or superficial spirituality, this book is for you! In these pages, my friend Jake Owensby poignantly shows how LOVE is what can truly give us hope to carry on: real love, God's love for us, our love for each other, right here, right now in all the struggles of this messy life. And God knows, we need this book NOW! -Bishop Michael Curry, Presiding Bishop of The Episcopal Church and author of *Love is the Way: Holding on to Hope in Troubling Times* Life is messy. We can get discouraged by setbacks, overwhelmed by busyness, and shaken by worry. Hope is the power that gets us out of bed in the morning and gives us the courage to face adversity. *Looking for God in Messy Places* by Jake Owensby is a book about how love gives us an inextinguishable hope. This book is for anyone who has ever been frozen in place by loss or regret, anyone who has endured suffering, cruelty, or rejection. From word to word and page to page, readers will experience themselves as God's beloved—so that they can be hopeful. From the introduction [This book is] For those whose struggles have been long and for those who are growing weary from heavy burdens. For those facing an unforeseen crisis or for those enduring a slow personal train wreck. For those whose throats have grown raw from crying for justice and for those whose wounds have gone

unhealed. This is a book about hope, and I have written it especially for those who refuse to yield to discouragement and despair. Topics include: - The power of love to give us hope - The ways that God shows up in our daily lives - Recognizing God's call in our lives - Becoming your true self - Having a sense of belonging - Forming a friendship with Christ - Contemplative faith

Find freedom from legalism's should's and discover the deep spirituality of being loved by the God who meets and transforms you in the midst of a messy and unpredictable life. Do you ever feel like you don't pray enough, read your Bible enough, share your faith enough, love God enough . . . and ultimately that you're not a very good Christian? Welcome to the club. *Messy Spirituality* was written for the silent majority of us who are convinced we just don't do Christianity right. Mike Yaconelli dares to suggest that imperfection, unfinishedness, and messiness are, in fact, the earmarks of true Christianity; that real Christianity is messy, erratic, lopsided . . . and gloriously liberating. In these pages, he challenges you to let go of the legalism that holds you back and embrace the grace freedom that God offers. He opens your eyes to the one-size-fits-all spirituality churches often want us to embrace and shares what it truly means to walk with God in a deep, intimate, life-changing way. Full of innovative ideas and concepts, *Messy Spirituality* is a classic that offers timeless wisdom for anyone ready to be free from the bonds of perfectionism. Spanish edition also available.

Genealogy is, widely considered to be, one of the fastest growing hobbies in the U.S. We have become consumed with constructing our family tree in an attempt to trace our lineage. Fortunately, the Bible does an excellent job helping us trace the ancestry of our faith family. Pastor and author Jacob Armstrong takes an in-depth look at our faith lineage focusing specifically on the messy family dynamics found in the book of Genesis. As we begin to understand the life stories of Abraham, Sarah, Isaac, Rebekah, Jacob and Esau we find that their pattern looks a lot like ours—we are called, we mess up, and God continues to redeem us. Find out how your "messy family" fits into God's family and how you are a part of God's plan for the world. Additional components for a six-week study include a DVD featuring pastor and author Jacob Armstrong and a comprehensive Leader Guide. Also available for your church is a helpful guide to small groups titled *The Connected Life: Small Groups that Create Community*. Chapters include: The Myth of the Perfect Family The Gap Between What God Says and What You See No, Nothing Is Too Hard for the Lord Loss and Promise in the Family of God Promise Maker and Promise Keeper The Beauty of Imperfection

When you look at the church today, what do you see? A corporation with a CEO at the helm? A social organization that does good things for the community? Pastor Ross Parsley believes that neither of those pictures is God's desire. Instead, God wants His church to function as a

family—a group of real people who love each other and care for one another's needs, no matter how messy. Our culture is dying for the kind of community that only the church can provide—if we are living as God intended: as a family, protecting one another, extending grace, and loving unconditionally. We are not called to be consumers who ask what the church can offer us. We are called to love deeply, fight fairly, and bring hope to a generation of people starving to belong to something greater than themselves. Welcome to the family. You belong here.

One Step of Obedience Led to Thousands Irene and Domingo Garcia began their married lives at sixteen, already expecting a baby. Their first ten years together included Domingo's alcoholism and abuse, and Irene's desperate prayers for answers. Then a miracle happened: Domingo pleaded for forgiveness. As God healed their marriage, Irene and Domingo adopted a little girl. And a new season began for an imperfect couple who were willing to say yes to each other and to God. Over the past forty-five years, the Garcias have birthed, fostered, or adopted thirty-two children. Their story holds difficult endings as well as promising new beginnings. Above all, their story reminds us what can happen when ordinary people submit to God's call. Rich in Love is about a family cemented in hope. About a need to love the orphan. And about a God who never, ever gives up.

"A pastor with an unforgettable inside story shows evangelicals how to nurture healthy, respectful, and biblically informed relationships with people in the LGBT community"--

Every life gets messy at times. Sometimes these messes are literal, like a house that would be easier to condemn than to clean. But sometimes they are intangible messes such as illness, conflict, depression, abuse, bankruptcy, divorce, and job loss. And these messes can be painful, hurting our hearts and our homes. But as we see in the Bible, God loves to use messy people! In this six-week study, we will dig into the lives of biblical heroes who were messy people just like us but who were used by God in powerful ways. Together we will examine the stories of five wonderful but messy people and one messy parable character: Rahab, the Prodigal Son, Josiah, Mary, David, and Daniel. From their stories, we will learn how God can use broken people, restore damaged hearts and relationships, give us power to handle our critics, and help us deal with the hard moments of life. Along the way we'll discover that we don't have to just endure messy lives but can actually learn to thrive with God's guidance and help. In the hands of God, our messes can become His masterpieces! The participant workbook, to be used along with the study's DVD, includes five days of lessons for each week, combining study of Scripture with personal reflection, application, and prayer. Other components for the Bible study, available separately, include a Leader Guide, and DVD with six 10-15 minute sessions.

While most of us trudge toward the cross with the best intentions, at times our lives just don't pan out the way we've planned. Messy Faith addresses the muddled adventure that we call "working out our salvation." It is being sure and unsure, whole and broken, warring, losing, and winning. It is being right and being wrong and having no clue, but believing anyway. And it is trusting in God to perfect the final product of our flawed, human lives. Author A. J. Gregory explores her own personal experiences, and those of a handful of flawed biblical heroes and others who have endured painful or simply ordinary realities in the journey to belief. This honest book will comfort anyone who has had a less-than-straight path to belief and those who continue to struggle.
