The trouble with watching a movie of any book is that once you've seen it, it's very difficult - if not impossible - to imagine the characters as anyone else other than the actor's representations you have seen on the screen. This unfortunate effect tends to narrow your field of view and, in my opinion, seriously hampers your imagination.

"Of mice and men" is one of these movies we definitely need in our times. Gary Sinise 's directing is classic in the noblest sense of the term. The cinematography recalls some of those Ford (who adapted "Grapes of wrath", another Steinbeck's novel for the screen) gems of the forties or fifties. It is heart-rending to see Malkovich and his portrayal of the half-wit is one of the finest you can see in a nineties movies and leaves, for instance Dustin Hoffman's "rain man" character far behind. It ...
