Microsoft

MS Access 2013

Guide - Tutorialspoint

When you open a database, the ribbon appears at the top of the main Access window, where it displays the commands in the active command tab.

The ribbon contains a series of command tabs that contain commands. In Access,

File Type PDF

Microsoft

the main command tabs are File, Home, Create, External Data, and Database Tools. Each tab contains groups of related commands, and these groups surface some of the additional new UI elements, such as the gallery, which is a new type of control that presents choices visually.
