Mindsight. It's a new outlook that's all about heart action. Educating the head and empowering the heart to act in support of ourselves and others. We're a people over profit partner, helping to build the right culture before the crisis and create sustainable, thriving environments in the workspace and beyond.

## **Mindsight | Mindsight**

"Mindsight" is a term coined by Dr. Dan Siegel to describe our human capacity to perceive the mind of the self and others. It is a powerful lens through which we can understand our inner lives with more clarity, integrate the brain, and enhance our relationships with others.
