A companion guide to THE TRIALS OF APOLLO series, set in the world of PERCY JACKSON. Camp Half-Blood FYI is the funny insider's guide to the demigod training camp in Long Island, narrated by none other than Percy Jackson himself, and other favourite characters will be heard from, too. In response to an awful camp orientation video created by the god Apollo, Percy Jackson and other residents of Camp Half-Blood answer such questions as "What is this place?" and "Do I get to keep the T-shirt?" Newbies can check out the section on the Divine Cabins, read up on Magical Landmarks, and consult the chapter of Training Arenas. But Camp Half-Blood Confidential explores much more than just the buildings and grounds. It includes info that can only be learned from those who live there. For instance, campers do not always co-exist in peace and harmony. The camp is not run with superior efficiency. Prophecies do not flow forth with great regularity. Sprinkled throughout are stories from heroes who have called Camp Half-Blood home or just passed through on their way to places unknown. Chiron himself introduces the book with a brief history of training based on his millennia of experience. And, of course, divine words of wisdom from the god Apollo himself are included, because the demigod authors would prefer not to be struck down by him, thank you very much.

The Companions of the Ring have become involved in separate adventures as the quest continues. Aragorn, revealed as the hidden heir of the ancient Kings of the West, joined with the Riders of Rohan against the forces of Isengard, and took part in the desperate victory of the Hornburg. Merry and Pippin, captured by orcs, escaped into Fangorn Forest and there encountered the Ents. Gandalf returned, miraculously, and defeated the evil wizard, Saruman. Meanwhile, Sam and Frodo progressed towards Mordor to destroy the Ring, accompanied by Smagol - Gollum, still obsessed by his 'precious'. After a battle with the giant spider, Shelob, Sam left his master for dead, but Frodo is still alive - in the hands of the orcs. And all the time the armies of the Dark Lord are massing. JRR Tolkien's great work of imaginative fiction has been labelled both a heroic romance and a classic fantasy fiction. By turns comic and homely, epic and diabolic, the narrative moves through countless changes of scene and character in an imaginary world which is totally convincing in its detail.

In a 25th anniversary edition, landmark Newbery Award-winning novel, "M.C. Higgins, The Great, " is reborn in a new package. As a slag heap, the result of strip mining, creeps closer to his house in the Ohio hills, 15-year-old M.C. is torn between trying to get his family away and fighting for the home they love.

The Mysterious Barricades criticizes the misconceptions of post-structuralism and then moves on to the reclamation of criticism as a philosophical activity concerned with how words work.
