Sailing and crusing to distant shores can be as cheap or expensive as the pocket desires. This bestseller is about how to get the right boat, prepare it and organize the financial side of life, so that you can manage the costs.

Loaded with detailed information about cruising design theory, building, and outfitting, this is the 21st-century update of yacht designer Buehler's popular "The Troller Yacht Book," the guide to fuel efficient and safe offshore cruising powerboats.

The author describes his life in sailing, discusses the major races in which he has participated, and explains what it takes to become a successful sailor

In 1979, Brett Douglas was a twenty-eight-year-old US Marine Corps veteran working as a commercial tuna fisherman in California. That year, a young man named Bruce Perlowin came looking for professional seamen and found a few, including the author. The fishermen he recruited became a crew that played an integral part in smuggling more than 250 tons of marijuana that FBI agents credited to the "Perlowin Conspiracy." The Golden Gate Smuggling Company provides a true, behind-the-scenes story of "The Company," the largest marijuana smuggling operation in the history of San Francisco. In the early 1980s, commercial tuna fishermen used long-range tuna boats specially outfitted for the eight-thousand-mile round-trip between San Francisco and Colombia. Each boat carried at least 30 million dollars worth of marijuana to the Company's private pier in the San Francisco Bay area. Douglas, a fisherman who lived through it all, narrates this adventure from load number one to the federal courthouse in San Jose four years later. Through the story of the Company, Douglas chronicles a laid-back, Californiastyle drug-smuggling empire that operated free of Hollywood clichés: no guns, no
